Small Groups

Neal F. McBride

Small Groups:

Why Small Groups? C. J. Mahaney, Greg Somerville, 1996 Do you want to get on the fast track to Christian maturity Small groups provide the ideal context for working out our salvation together But not all groups are created equal Here s the difference most have considered the how of small groups but only a few have discovered the why Why Small Groups has been specially developed for group members and leaders alike Representing more than 95 years of combined pastoral experience the authors share a wealth of practical tips and principles to help your group reach its peak potential How to Build a Small-Groups Ministry Neal F. McBride, 1994-11 Written by a small groups expert this book is designed to help anyone build a small groups ministry from scratch or completely revamp an existing small groups ministry It includes 12 logical steps for organizing and administrating a successful small group ministry a case study featuring a local church in the midst of establishing a small group ministry and pages of worksheets for developing small group plans *Small Groups for the Rest of Us* Chris Surratt, 2015-09-29 Most churches in America struggle to have a significant percentage of their adult attendance in small groups According to recent research done by Lifeway Research only 33 percent of churchgoers attend classes or groups for adults such as Sunday school Bible study small groups or Adult Bible Fellowships four or more times in a typical month Fourteen percent attend two or three times a month Life transformation happens best within the context of community so if a church is going to be intentional about discipleship they have to develop on ramps to small groups that reach people on the fringes and beyond If we continue to offer small groups to the normal church attenders a majority of the people who show up to church are never reached Pastors church staff and small group leaders are trying to figure out how to make small groups work in their church and they don t know how *Small Groups For The Rest Of Us* gives them practical proven strategies on moving people from the fringes into biblically based communities The Naked Truth about Small Group Ministry Randall G. Neighbour, 2009-06-08 Tired of reading books by pastors of large churches who could put a stick in the mud and it would grow a fruit bearing tree in a week Exhausted with doing ministry the same way expecting different results Exasperated by the lack of ownership among the members of your existing groups Then this book is for you Pulling no punches Neighbour diagnoses the problems surrounding small group and cell group ministry in America today offering practical suggestions that work Leading Small Groups with Purpose Steve Gladen, 2012-02-01 For the new small group leader the seasoned leader who feels their small group lacks purpose or the leader who is itching to move their small group to the next level *Leading Small Groups with Purpose* is the road map to follow Steve Gladen author of *Small Groups with Purpose* and pastor of small groups at Saddleback Church for more than a decade takes small group leaders step by step toward a healthy dynamic group with focus and purpose Every chapter includes ideas that small group leaders can implement immediately as well as ways to shape their small groups over time Gladen helps leaders define success clearly develop a personal leadership plan invite members into the group and shepherd members through fellowship discipleship

ministry evangelism and worship He also includes a chapter devoted to addressing problems proactively and using them as opportunities for growth Includes a foreword by John Ortberg and a free small group assessment tool 12 50 value

Community That Is Christian Julie A. Gorman, 2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in *Community That Is Christian* an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions *Community That Is Christian* provides readers with charts

discussion questions and inventories to further help them establish community within their small groups **Leading Small Groups** Chris Surratt, 2019-05-01 Leading a small group can literally change the world We have been commissioned to make disciples who make disciples and Jesus showed us that the best way to carry that out is through small groups of believers Just like the first century church small groups form the foundation to take the gospel to the ends of the earth Chris Surratt Discipleship and Small Groups Specialist for Lifeway Christian Resources and author of *Small Groups for the Rest of Us* wants to help you get from here to there Regardless of whether you have never lead a small group or have been leading one for years all of us want to know how to create environments where spiritual growth takes place and communities are changed *Leading Small Groups* walks the reader through the stages of gathering launching leading and multiplying a gospel centered small group There are also follow up questions for discussion and reflection at the end of each section and practical resources that can be implemented immediately by the small group leader Jesus left his followers with a task the Great Commission This book will help small group leaders and churches in their obedience to this task **Simple Small Groups**

Bill Search, 2008-09-01 Over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church Many evangelical churches have some form of small groups ministry in place But there s just one problem says Bill Search what started as a simple get together has become a complicated process especially for small group leaders They are often not sure what is expected of them or what to expect from their groups as a result of their efforts In *Simple Small Groups* Search lays out the three C s of small groups connecting changing and cultivating This paradigm helps to simplify leading small groups in a way that is helpful rewarding and life changing Unlike

many other books geared toward small group leaders Simple Small Groups does not require a church wide adoption of an intricately designed system of assimilation making it useful to any small group leader looking for guidance **Small Groups in the Church** Thomas G. Kirkpatrick,1995-12-31 This planning and leader training handbook offers a distinctive broad based small group approach to building community From the Jewish havurot to Christian koinonia you will gain a thorough understanding of community learn how to plan an effective small group ministry how to select and train leaders for all kinds of small groups and how to start small groups that are a part of and not apart from their congregations Appendices provide an overview of the sociological psychological and biblical theological literature on community and a wealth of presentation and leader training resources *Making the Most of Small Groups* Debbie Diller,2007 Debbie Diller has already shown us how to productively occupy the rest of the class while meeting with small groups Now she turns her attention to the groups themselves and the teacher s role in small group instruction Leading Small Groups That Thrive Ryan T. Hartwig,Courtney W. Davis,Jason A. Sniff,2020-08-11 Nearly every church is trying to help their congregants build relationships with others grow as disciples and or engage in meaningful service through small groups Many have argued that these small groups are the preferred vehicle for relationship building disciple making and membership assimilation in the local church especially in large multisite churches Leading Small Groups That Thrive shows small group leaders step by step how to plan for launch build sustain and multiply highly effective transformational healthy small group experiences where people grow spiritually together Based on a large scale research study of small group pastors leaders and members Leading Small Groups That Thrive gives church leaders both what they want practical straightforward actual small group member voices and experiences and compelling guidance on how to build transformational groups complemented with real life examples and data of successful small groups and what they need substantial challenging insights and a data driven model grounded in the latest research on church small groups **Online Small Groups as Sites of Teaching** Simon Hallonsten,2024-04-25 Centered around a reflective narrative recounting the experiences of a participatory action research project into leading online small groups for adults in the Church of Sweden Diocese of Stockholm during 2021 and 2022 the dissertation argues for the need to reconceptualize and reemphasize teaching as an important aspect in Christian religious education Employing creative non fiction methods the dissertation aims to broaden the scope of the initial Online Small Groups project by inviting readers to join into a learning journey The narrative account is complemented with more traditional forms of analysis that connect experiences from online small groups in the Church of Sweden to similar research from Anglo Saxon countries noting especially how notions of community diverge due to different ecclesiological understandings Insights are then synthesized into eight teaching strategies aimed at communicating actionable knowledge to small group leaders before noting how the study complements research on Christian religious education and particularly the current debate about learning and teaching in the Church of Sweden Small Groups, Big Impact Jim Egli,Dwight Marable,2014-03-12 Why do

some small groups thrive and grow while others struggle and falter The authors have surveyed over 3000 group leaders in more than 200 churches Their findings will place practical applicable principles into the hands of small group leaders and pastors This book also includes access to additional resources from the author s website *Planning Small Groups with Purpose* Steve Gladen,2018-07-03 Small groups are a great way to promote the spiritual formation of church attendees But leading them well can be hard work especially if you don t have a plan This practical resource helps pastors and small group point people develop and implement a 12 to 18 month strategic plan for their ministries in order to keep it healthy and growing Developed at Saddleback Church this completely customizable plan works for any church size and any denomination Readers answer 22 questions that help them understand their vision the purpose of their ministry and how to connect members grow numerically and spiritually measure progress develop leaders create opportunities to serve and much more By the time they re done readers will have developed their own personalized planner for the next year to 18 months so that they can feel prepared confident and purposeful about their small group ministry [Small Groups in Action](#) Joesting,Habash,Raphael,2019-06 *Growing People Through Small Groups* David Stark,Betty Veldman Wieland,2004-07-01 This fresh look at small groups starts with people and principles rather than program and structure Stark and Wieland examine why many small group ministries fall short of their goals and they offer strategies that start with God s leading and people s needs Straightforward informative and practical this new organic system works for smaller churches as well as larger ones Useful for lay leaders small group members and pastors who want people to thrive and develop their spiritual gifts [Missional Small Groups \(Allelon Missional Series\)](#) M. Scott Boren,2010-07-01 Small groups are a great place to connect with other churchgoers but many wonder is this all there is Is sitting in a living room talking about a book or watching a video the extent of what we can do together Isn t being a Christian community about something more than this Pastor and author Scott Boren thinks so In this latest release from missional thinktank Allelon Boren gives leaders and members of small groups the tools they need to make an impact on their communities Beginning with a gentle critique of current small group models Boren goes on to show how a uniquely Christian paradigm can set groups free to transform their communities The final section of the book offers over twenty practices that groups can do to become more missional Ultimately Missional Small Groups is about helping groups follow Jesus by equipping them to bring his message and healing to a hurting world **Go Big with Small Groups** William M. Easum,John Atkinson,2007 This book is for leaders who want to know the nuts and bolts of starting or growing a life changing small group ministry from the ground floor [Activate](#) Nelson Searcy,Kerrick Thomas,Jennifer Dykes Henson,2018-03-06 Church leaders want to know how to make their small groups work Drawing from the startling success of small groups at The Journey Church Nelson Searcy and Kerrick Thomas debunk the myths set the record straight and show how church leaders can implement a healthy small group ministry that gets the maximum number of people involved and solves many of the important problems facing churches of all sizes These

practical strategies will produce life changing results **Talking the Walk** Dave Bartlett, Bill Muir, 2011-03-01 Cultivate Intimacy and Honesty in Your Youth Ministry's Small Groups Here are 31 small group meetings about well small groups After all the kind of honest sharing perceptive silence compassionate boldness and mutual growth that are the marks of an effective and attractive small group don't always come naturally With the complete sessions in Talking the Walk all of them customized precisely for small groups you can lead your small group of teenagers from just getting comfortable with kids they don't usually hang with to talking honestly listening carefully and understanding themselves and each other The first five meetings are a gradual gentle introduction to the idea of communication confidences and listening skills the mechanics and heart of small group dynamics then on to more than two dozen topical meetings about issues that matter most to adolescents how to face life's tensions self esteem change sexuality giving and receiving love clarifying future goals friends family forgiveness diversity conflict moods priorities and more all of them based in Bible passages appropriate for mixed groups of church and unchurched kids and each session with more than enough creative and quirky ideas so you can select those that best fit your style and your small group's temperament Perfect for outreach and evangelism groups discipleship groups Sunday school midweek cell groups any time you want small groups of your students to grow together in community in intimacy in faith Previously published as Honest to God 31 sessions

Eventually, you will categorically discover a other experience and exploit by spending more cash. still when? do you give a positive response that you require to get those every needs afterward having significantly cash?
