Smart Fast:

Smart, Fast, Efficient Leanna Isaacson, 2013-10-02 For a newly appointed principal or assistant principal this book describes the skills and talents necessary to meet the demands on today's school leaders. It provides step by step details about what to do when to do it and how to do it. Each chapter includes Survival Tips practical savvy advice When Do I Begin to help principals plan and schedule practical advice based on the realities of school leadership and more Smarter, Faster, Better Karlin Sloan, 2006-06-12 In this groundbreaking book acclaimed executive coach Karlin Sloan offers leaders a variety of self assessments habits strategies and sustainable practices that they can use to become what today's marketplace demands smarter faster and better. Karlin Sloan shows what it takes to make the move to the next level to become a leader who both grows the bottom line and contributes to stakeholders and the world in a positive way. Based on research study and the author's extensive experience as a coach to leaders of top organizations this book shows how to become smarter faster and better by examining these questions: What are your key strengths and what do you need to develop or leverage? What are you focused on now and what do you need to accomplish to really get ahead? Are your values in line with your work? What is the end you are trying to achieve?
