

A person is sitting on a wooden dock that extends into a calm lake. The person is wearing a dark jacket and is seen from behind, looking out over the water. The lake is surrounded by large, rugged mountains with patches of snow or light-colored rock. The sky is overcast and grey. The overall mood is contemplative and serene.

So Help Me Lord:

Told Rush Brett Babbitt,2018-11-19 Why TOLD RUSH Ever wonder why people like me who claim paranormal abilities go public I think the number one reason is that we have proven to ourselves that there is something else out there that no one can fully explain My whole life is full of odd happenings but initially I was very secretive and tried to explain nothing Over the last few years I have developed an overwhelming urge to tell people or at least entertain them even though some of my experiences are unexplainable Some photos have no provenance unless me talking to dead people in dreams is great provenance I risk facing complete ridicule but when I pass away and head toward the afterlife heaven and I speak to people involved in my book I can always say I did what you wanted me to do I was your dead person reporter and I hopefully was a janitor of the Wild West
