Soul Words:

God, You Are Healing for My Soul (Words Straight from the Heart) Carol S. Wright, 2011-12-19 Every day people awake thinking they can do things their way Maybe you were on the right path with God and you turned away Suddenly things that were once going well now are going downhill Those who were your so called friends have turned their backs on you Why Because you lost everything when you placed someone or something ahead of God This includes your family I encourage people to write I have found it to be a form of therapy A way to express myself out loud This book represents a group of poems from my Spiritual Guidance Collection about my life that I experienced during the good and bad times Someone might say the poems are a conversation with God a form of prayer My hope is that everyone who reads this book will find their way back to God the Creator
