JENNY. KING,2019 *Swings and Roundabouts* Mick Gowar,1981 *Swings & Roundabouts* Jake Philip Davis (Student),2013 Series of photographs of swings and roundabouts play equipment **Naked Project Management** Dennis Lock,2017-03-02 Books about project management are plentiful The best of those books are too comprehensive for the person faced for the first time with managing a small and relatively straightforward project or for the student studying for a degree or business qualification in which project management is only one of several modules But at the other extreme too many of the simpler books treat project management lightly gloss over or ignore some essential processes and even get the facts wrong and give incorrect examples Naked Project Management is an introductory guide to the world of project management from one of the world s most accomplished project management authors Lock has stripped project management down to its bare facts simplifying everything but trivializing nothing leaving sound practical advice on how to organize and manage a small or medium sized project The book is written in the direct jargon free style that has become Dennis Lock s hallmark Everything is carefully explained and supported with clear diagrams It covers all the essential aspect of project management in astonishingly few words and provides further instruction with an entertaining case study project that flows logically through the chapters from beginning to end Degree and other students for whom project management is an elective or small part of their course will love this compact time saving and reasonably priced study resource *Swings and Roundabouts* Hugh Miller,1985 **Swings & Roundabouts** Wendy Kremer,2011 *Swings and Roundabouts* Graham Dilley,Graham Otway,1987-01-01 **Swings and Roundabouts** Anna Golawski,Agnes Bamford,Professor Irvine Gersch,2018-05-01 The first two authors of this coaching workbook are themselves parents who have been on a journey of swings and roundabouts experienced the highs and lows of having children Having difficulties knowing how to parent in many situations which was not made easier by the conflicting advice in the media made them unsure of their own parenting skills This was one of the reasons that they entered into the field of parent coaching They were trained coaches who wanted to use their coaching skills and experience as parents to help both themselves and other parents get the understanding and trust in themselves to be the parents they dream of being As an educational and child psychologist Irvine was able to contribute an evidence and psychological base to the project Parents often feel alone and the authors have found that running courses for them created a space where they could share experiences with each other as well as experiment with

different ways of parenting It is their intention to give back some of the awareness they gained in this comprehensive and invaluable self coaching book *Swings and Roundabouts* Diana Barstow,1999-01-01
