and she quickly stepped back bumping the back of her head on the slanted beam behind her He winced for her and came to a halt no matter how furious he was he didn't want her to hurt herself It didn't look like nothing babe he replied slowly No it's just the just the her words trailed off as she motioned behind her toward where she'd been on the floor of the attic only moments ago Logan didn't take his eyes from her to see what she might be indicating Just the what She shook her head as if she had no idea what to say He took a deep breath and blew it out Lauren Come here She glanced away before looking back at him No I'm good At her denial he felt his insides electrify with aggression but he attempted to keep a cool head even as the heated blood roaring through his veins reminded him he was on a short leash Come here baby She licked her lips Are you mad He took another slow deep breath Oh yeah he was mad Why would I be mad he asked a little too sarcastically as he placed his hands on the rafter above his head feeling his biceps bulge against his short sleeve t shirt
