The Happy Generation:

THE HAPPY YEARS Larry B. Fullen, 2023-08-22 Asheville enjoyed prosperity after the harsh and lean years of the Depression and WWII Predominately low middle income there were no social or economic divisions all were rich in mutual respect and pride of community As youth the homogenic culture and ethnicity of our small town was not recognized The focus was on the Thursday night dances in the park the Fourth of July celebration and winning county sports championships Teachers were neighbors compassionate and dedicated to their profession There was a sense of freedom but is something was wrong or not to expectations parents would know about it immediately An attitude of optimism prevailed unaware that Asheville like many rural communities was not realizing the growth of the metropolitan and industrial areas and that for the younger generation the future was not likely to be in Asheville Later in life we understood the blessings and meaning of small town values the unique shared experiences and lasting friendships from growing up in Asheville

Budapest 1900 John Lukacs, 2018-09-01 A distinguished historian and Budapest native offers a rich and eloquent portrait of one of the great European cities at the height of its powers Budapest like Paris and Vienna experienced a remarkable exfoliation at the end of the nineteenth century In terms of population growth material expansion and cultural exuberance it was among the foremost metropolitan centers of the world the cradle of such talents as Bartok Kodaly Krudy Ady Molnar Koestler Szilard and von Neumann among others John Lukacs provides a cultural and historical portrait of the city its sights sounds and inhabitants the artistic and material culture its class dynamics the essential role played by its Jewish population and a historical perspective that describes the ascendance of the city and its decline into the maelstrom of the twentieth century Intimate and engaging Budapest 1900 captures the glory of a city at the turn of the century poised at the moment of its greatest achievements yet already facing the demands of a new age Lukacs's Budapest like Hemingway's Paris is a moveable feast Chilton Williamson Lukacs's book is a lyrical sometimes dazzling never merely nostalgic evocation of a glorious period in the city's history The New York Review of Books A reliable account of a beautiful city at the zenith of its prosperity Publishers Weekly
