Snake Pit:

The Snake Pit Book Ben Snakepit,2013-12-17 Ben Snakepit draws his life everyday in 3 comic panels This was his first book collecting quite a few various zines After describing dozens of various Snakepit titles I m going to defer to the wisdom of Jimmi Payne s Punk Zine Taken individually each strip resembles what a friend would say if you asked what they had done that day Ben sifts through the minutiae of life as well as the full experience of time in a day This is different than James Kochalka s work as there is no pretense at narrative or point The narratives in Snakepit open up on the macro level If Snakepit is to be read on the toilet a mere bowel movement is enough time to live months through the protagonist s eyes Patterns emerge and story arcs materialize and years of common actions load into a highly concentrated snapshot that wakes you up to the ongoing machinations of life beyond your present day This has led many to label Snakepit an existential text Introduction about doing cocaine by Aaron Cometbus

Snake Pit Gets Old Ben Snakepit,2015-03-06 Ben Snakepit returns with an all new book of daily diary comics continuing to draw years of his life day by day in three panel comic format No matter how mundane the events of each day appear at the time and without being able to know what the future will hold from one panel to the next a narrative always begins to emerge in Ben s life as characters re appear and interact with him at Some Shitty Job at the local taqueria out socializing or at home As the title implies Ben transitions from the pants pooping idiocy of youth to the dark sobering responsibilities of adulthood Read along in amazement as he quits his bands gets a real job has a kidney stone removed and much much more A truly existential text that can be uh 18 fun for the whole family
