For Soccer-Crazy Girls Only Erin Downing,2014-09-16 To be a great soccer player you must be in love with the game Mia Hamm Do you love lacing up your cleats for the first game of the season and do you love it even more when they re

caked with mud after the game Are there many nights when you dream about kicking the ball and watching as it soars through the air toward the goal Would your perfect day include hours on the soccer field Do you love to watch people play soaking up everything you can from other soccer crazy players Have you ever felt like your soccer team is a second family Then you re definitely soccer crazy and this book is definitely for you From training techniques formations and strategies this book has it all Soccer for Everyone Rudy Yakzan,1999-11 This is the markets most comprehensive soccer book to date Everything on soccer including technique tactics world cup strategy and coaching A must for soccer fans Soccer for Everyone was added to the Soccer Hall of Fame in *Soccer Is Fun* Cowan, Jane,Tony Waiters,Schneider, Scott,1997-06-01

Soccer Warm Up Drills Chris James,2004-03 Provides drills for functional warm ups that can be adapted to prepare your players for the specific needs of the upcoming training session or match **Coaching Girls' Soccer Successfully** Debra LaPrath,2008-10-09 Build a winning girls soccer program on the field and off In Coaching Girls Soccer Successfully one of the nation s top high school coaches Debra LaPrath shares her expertise on all aspects of coaching From establishing a coaching philosophy to making decisions during a game this is the approach that has made her program a perennial powerhouse Coaching Girls Soccer Successfully covers every aspect of the coach s role Developing and perfecting skills Evaluating players and defining their roles Organizing productive practices Scouting and preparing for games Adding variety to training Developing leadership qualities Motivating the team Communicating on and off the field Featuring seasonal training plans drills for developing fundamental to advanced skills and advice for handling off the field challenges Coaching Girls Soccer Successfully is the most comprehensive resource available for novice and experienced coaches alike Youth Soccer Training Slides Deji Badiru,2014-05-30 Soccer is the beautiful game as widely recognized around the world January 2014 statistics show that over 50 million youth play soccer worldwide Early training of soccer means a lifetime of love of the sport The enjoyment of soccer transcends mere involvement as a player coach fan sponsor dad or mom There are subtle lessons of life to be learned from soccer as a team sport One aspect that is often ignored is the potential to use soccer to teach basic math and science principles which are essential for later career paths in the technical fields It is this void that prompted me to write this book as a way to leverage soccer training to spark the interest of kids and adults in the applications of math and science Youth Soccer Training Slides A Math and Science Approach is a sequel following my first soccer book of 2010 entitled Physics of Soccer Using Math and Science to Improve Your Game That first book was published to coincide with the 2010 FIFA World Cup Tournament Soccer in South Africa This second book is written to coincide with the 2014 FIFA World Cup Soccer Tournament in Brazil Although this book targets youth soccer training it is quite suitable and recommended for adult soccer training as well The technical principles are general enough to apply to all levels of soccer training The presentation slides format of the book makes it amenable for pick and choose applications of specific training topics In his 2014 book the Great Pele of Brazil emphasizes Why Soccer Matters In the opinion of this author soccer indeed

matters not only because of its socio economic impacts around the world but also because of the various other benefits it offers Soccer matters because it is a thinking game and the ultimate team sport The theme and premise offered by Youth Soccer Training Slides cover various math and science topics to enhance the understanding and enjoyment of the game

Soccer Games Andrew Caruso,2015-01-01 The games presented in this book were designed to allow the ball and the game to be the true teachers The aim is to get away from stagnant boring line drills and restrictive exercises and give ownership of the game back to the players in the form of fun age appropriate exercises In recent years coaching at youth level not only in soccer but in all sports has trended toward specialization and over coaching which in effect has taken the joy of the game away and in many cases driven players away from the sport These games will not only make your practices more fun they will teach your players the skills and principles of soccer while allowing for creative expression
