The Crossroads Brett Heintzman, 2015-01-21 We've lost our way and God is calling us to return to Him Every church walks a path comprised of methods programs worship styles etc The paths our churches travel may have served us well in the past but they are losing their effectiveness with every passing day Christian churches in America are facing the challenge of decline yet many cling to their current paths expecting fresh results of revival and renewal We are deceived and need direction God told Israel through the prophet Jeremiah This is what the LORD says Stand at the crossroads and look ask for the ancient paths ask where the good way is and walk in it and you will find rest for your souls But you said We will not walk in it Jeremiah 6 16 NIV Today churches are standing at a crossroads The Crossroads is a critical point of decision that can mean life and

fruitfulness or death and extinction depending on the choices we make today Will we stay on the unfruitful paths or will we seek God for the ancient paths of His choosing Paths of Holy Spirit power and Kingdom purposes At the crossroads the choice must be made The Crossroads points the way to the ancient paths of true Kingdom fruitfulness **Restoring the Ancient Paths** , *Seeking the Way to the Ancient Paths* Octavio Rivera,2012-05-18 Summary of the Book This book is not just simple words on paper It combines both theoretical and practical information challenging the reader to seek the ancient paths in order to find true and lasting rest If you know what it is like to be lost or know someone who has been lost in the world of decisions this book is for you It carefully examines principles that will help you in making difficult decisions The goal of the author is that the readers can get a better perspective on lifes decisions and use time proven principles to realize the purpose in their life **Ancient Paths** Obeng Stephen,Pastor S K Obeng,2026-02-04 The message of the ancient paths is a timeless call from God to every generation that finds itself spiritually busy yet inwardly restless Rooted in Jeremiah 6 16 the call is simple but demanding to pause to seek and to walk in the ways God established from the beginning It is not a call to nostalgia or tradition for tradition s sake but a return to divine alignment the way God intended humanity to live walk and relate with Him God s instruction begins with an unexpected command Stand in the ways and see Before action there must be awareness Before progress there must be examination Scripture reveals that many of God s people drift not because they hate God but because they fail to stop and evaluate their direction Standing still becomes a spiritual discipline one that exposes whether movement has replaced obedience and whether activity has replaced intimacy The ancient paths represent God s eternal truths His moral order covenant principles and redemptive ways that were revealed long before modern systems philosophies or religious trends emerged These paths were walked by the patriarchs affirmed by the prophets and fulfilled in Christ They are ancient not because they are outdated but because they are unchanging While cultures evolve and methods shift God s truth remains steady firm and reliable When God says Ask for the old paths He is inviting humility To ask means to admit that human wisdom is limited and that progress without God often leads to deeper confusion Scripture consistently shows that when people abandon God s ways in pursuit of independence or innovation the result is spiritual fatigue moral compromise and inner unrest The ancient paths call believers back to dependence on God rather than confidence in self God further defines these paths as the good way In a world where good is often redefined by convenience popularity or personal preference God alone retains the authority to define what is truly good The good way is not always easy but it is always right It leads to life clarity and fruitfulness The ancient paths are good because they align the soul with its Creator and restore what sin pride and rebellion have damaged [The Old Paths. A Farewell Sermon Preached ... on Sunday, July 29, 1875, Etc](#) Charles John RIDGEWAY (Bishop of Chichester.),1875 *Returning to the Ancient Paths* Kevin Zadai,2025-03-04 Are We on the Right Path This is a critical hour for the Church The clock is ticking toward the return of our Lord Jesus Christ and it s time we take a hard look at our beliefs and actions Are we building on the right foundation Do we

The Ancient Paths Graham Robb,2013-10-10 Graham Robb s *The Ancient Paths* will change the way you see European civilization Inspired by a chance discovery Robb became fascinated with the world of the Celts their gods their art and most of all their sophisticated knowledge of science His investigations gradually revealed something extraordinary a lost map of an empire constructed with precision and beauty across vast tracts of Europe The map had been forgotten for almost two millennia and its implications were astonishing Minutely researched and rich in revelations *The Ancient Paths* brings to life centuries of our distant history and reinterprets pre Roman Europe Told with all of Robb s grace and verve it is a dazzling unforgettable book *Ancient Paths to Pequot* William Davis Miller,1936 *Old Paths and Legends of New England ...*

Katharine Mixer Abbott,1904 **Ancient Paths** Toby Shockey,2020-11-09 Some of the devotions in this book are not just

from the Old Testament but are even from obscure unexpected places in the Old Testament Some of the passages will be familiar to you but it s likely that many of them will not be And that s by design The Bible includes chapters and sections and even books that many of us rarely see but hopefully a devotion from an obscure place in Scripture will whet the appetite But if you are still asking why the Old Testament that s a good question After all we are talking about the Old Testament We might think of several reasons but the main reason is that the Old Testament points to Jesus and is only understood in the light of Jesus Not only is Jesus predicted and promised but the story of God s people reveals their desperate need for a Savior and ours Related to that the Old Testament is as much the Word of God as the New Testament The Bible that Jesus and all the New Testament writers read was the Old Testament Our understanding of the New Testament is deeper and richer through the study of the Old Finally when Paul wrote to Timothy he said All Scripture is breathed out by God and profitable for teaching for reproof for correction and for training in righteousness that the man of God may be complete equipped for every good work 2 Timothy 3 16 17 The writer of Hebrews added For the word of God is living and active sharper than any two edged sword piercing to the division of soul and of spirit of joints and of marrow and discerning the thoughts and intentions of the heart Hebrews 4 12 With those descriptions in mind let s remember that the New Testament was still being written at the time While we know these descriptions are true of the New Testament they were primarily written about the Old We read and study the Old Testament because it is powerful relevant and life changing
