The Songbird / Volume Two Beverly Louise Oliver-farrell,2011-03-03 About The Cover Steve was definitely taken with Jeneil Dr Sprague wondered why Steve was so closely involved with her with his feelings for her being so deep It worried him since in his weekly meetings with Peter he was being told that she was waiting for him He marvelled how such a quiet well mannered girl of refined tastes had managed to take the Chinese Stud and the White Stallion both and tamed them That was the biggest puzzle and they were tamed He wondered what the future held for all three of them The Songbird Volume TwoLying in the darkness Peter thought about Jeneil s idea of them missing each other in life He touched his stomach and his network of scars If that was true then they were worth it He turned onto his side and was soon asleep Peter woke up and turned over Reaching out for Jeneil he lifted his head surprised that she wasn t next to him He looked at the clock Six he said I have an hour to get to work Standing up and tying his robe he walked to the living room Jeneil was sitting on the sofa with a drawing board on her lap and a notebook on top of the drawing board Jeneil he said going to her you haven t been to bed at all have you No she said lost in thought but I m fine I feel great He sat next to her and she kissed him gently Her eyes sparkled and her cheeks were flushed You look beautiful he said incredibly beautiful I m cosmic she corrected Great and I overslept I can t do a damn thing about it She laughed It s okay I m at a universal level anyway I d be totally useless right now Have you been drawing all night he asked reaching for the notebook She slapped her hands down on it to keep him from taking it surprising both of them I m sorry No I haven t been drawing I ve been writing It s a journal kind of thing You know like a diary I m sorry but I don t want to show that much of myself to anybody If I ever leave it lying around promise me that you won t read it I promise he said still surprised She kissed him again You get showered I ll get breakfast Aren t you tired Not yet maybe in an hour and she went to the kitchen Looking at the notebook Peter shook his head then went to shower The Songbird is about Jeniel a young woman from a small town in Nebraska who believed in fairy tales a prince charming and happy endings She

goes on a quest to find herself before the conveyor belt of responsibility forces her to accept a lesser existence In her quest for superlative she almost destroys herself and the lives of those around her Jeneil works in the records department of a New England hospital She finds her Prince Charming in Peter a Chinese gang kid from the streets of New York s Chinatown who is a doctor in his final year of residency The Songbird is their LOVE story Add Steve Peter s best friend also a doctor finishing his residency to the mix and Peter s Grandfather who teaches Peter about The Songbird and you have the fundamental beginnings of one hell of a story The Songbird is a story of love communication murder mystery danger betrayal suspense honesty and dignity and a look at life which covers the trials of human relationships It is steeped in a reality that will cause everyone who reads The Songbird to identify with their own life experiences and share a oneness with the characters The author has laid out The Songbird from beginning to end stacking one incident on top of another like a set of logo blocks carefully interlocking the past present and future together in a not so perfect world The author who leaves clues and dangles unanswered questions throughout The Songbird is very adept in navigating the reader through a maze of twists and turns and surprises in tying it together yet is able to keep the end of the story a secret until the closing pages You may have trouble turning out the light with this one

The Songbird / Volume Five Beverly Oliver-Farrell,2013-05-21 Peter is in Europe receiving recognition by his peers for a new medical procedure he had developed when tragedy strikes back home Jeneil has disappeared and anyone who may know where she is has been deliberately threatened into silence Peter goes looking for her and after much difficulty finds her in a private Resort Hospital in the Arizona desert His efforts to help her prove fruitless and Peter finally has to accept his failure and return to his life in New England Peter takes over as Patriarch of the family upon the death of his Grandfather It is at his Grandfather s funeral that new discoveries are made and Peter finds his Songbird The Songbird is a story of love communication murder mystery danger betrayal suspense honesty and dignity and a look at life and the trials of human relationships Author Beverly Louise Oliver Farrell has laid out The Songbird series from beginning to end stacking one pivotal incident on top of the next She has carefully interlocked the past present and future in a not so perfect world The Songbird navigates the reader through a maze of twists turns and surprises while weaving it s characters and plot points together Yet the author is able to keep the story s climax a secret until the final pages An AMAZON Five Star ReviewThe BEST I ve ever read The Characters totally sucked me in I felt as though I was living with them Kudos to the author and her husband for getting it published Dianna Harlow Kindle
