Sosoclean In Just Two Hours A Week:

So clean Brian Lewis,2017-10-03 This book is an unorthodox biography of William Hesketh Lever 1st Lord Leverhulme 1851 1925 the founder of the Lever Brothers Sunlight Soap empire Unlike previous biographies which have focused on the man s life story and eccentricities or just considered one aspect of his career So clean places him squarely in his social and cultural context and is fully informed by recent historical scholarship Much more than a warts and all biography the book uses Lever as an entry point for contextualized and comparative essays on the history of advertising on factory paternalism town planning the Garden City movement and their ramifications across the twentieth century and on colonialism and forced labour in the Belgian Congo and the South Pacific It concludes with a discussion of his extraordinary attempt in his final years to transform crofting and fishing in the Outer Hebrides Written in an engaging and accessible style So Clean will appeal to academics and students working in business social cultural and imperial history
