## Soul Exposed:

*The Soul's Hole* Kelly Baker Proehl, 2026-01-13 A transformative read for the one in four women who've been there and the friends who walked with them. In this honest and heartfelt book Kelly Baker Proehl opens up about her post-abortion journey offering a lifeline of grace, healing, and redemption. Imagine the women all around you: those in the grocery line, your Bible study group, and the conference room. Now consider that one in four women has walked into one of the coldest, most lifeless four walls that exist: an abortion center. If you are holding this book, you have likely had an abortion, and if you have not, you took a friend, sat with a friend, or know a friend who has experienced that trauma. Find healing and community through the testimony of Kelly Baker Proehl and six other incredibly brave women. They bare their souls so that you would know you are not alone and that others might avoid facing the same heart-wrenching pain. Kelly Baker Proehl vulnerably expresses the cascade of emotions that followed her abortion, describing how it forever left a hole in her soul. Above all, readers will discover that it is not an unforgivable sin and there is healing to be had in community and repentance.

For the graphical novel, delve into the world of organized crime, politics, and espionage with the Ace Man House of Cards crime-fictional screenplay situated in the contemporary era of the continent of Africa. Nicholas Udah returns in another breathtaking crime-adventurous story as *The Ace Man House of Cards* picks up five years after the events of *Project Calypso*. Nick and his brother Joseph and Carlo are approached by Amanda to pull off an identity theft that could see them off into great fortunes. The heist goes south, leading up to the death of his elder brother Joseph. After two years in Kamiti Downs, Nick seeks retribution over the death of Joseph, but along the way he makes new friends and foes in his quest to find his brother's assailant. And every choice he makes pulls him closer to the deep state shadow organisation called THE UNION. *The Ace Man House of Cards* is a self-contained fictional story that somewhat compliments *Project Calypso*. But it is a stand-alone story on its own.      A Commentary on the Book of Job, 1894
