Jay Moon, Pamela A. Moon, Emily G. Moon, 2012-08-01 I am not like Hudson Taylor David Livingstone or William Carey The stories of these people are inspiring but they also make me question Am I really good enough to be a missionary Because I don't consider myself super spiritual like these missionary heroes seem to be Ordinary Missionary introduces world missions through the story of an ordinary family facing ordinary questions about their own insecurities and inadequacies Step into the shoes of three authors who combine their thoughts to put a face a feeling and a person to contemporary missions Join Jay husband and father as he prepares to minister among the Builsa people in Ghana West Africa Observe Pam wife and mother as she addresses the personal concerns of the family Follow Emily oldest daughter in the struggles and joys of being a missionary kid This story is not a triumphant tale of missionary heroes The real heroes show up in unlikely places when they are least expected Our steps are ordinary but the journey is beyond extraordinary These real stories will inspire you to trust your own life in the hands of our extraordinary God The Mahābhārata Patriline Simon Brodbeck, 2009 The Sanskrit Mahabharata which contains the Bhagavad Gita is sorely neglected as a classic perhaps the classic of world literature and is of particularly timely human importance in today's globalised and war torn world This book is a chronological survey of the Sanskrit Mahabharata's central royal patriline a family tree that is also a list of kings Brodbeck explores the importance and implications of patrilineal maintenance within the royal culture depicted by the text and shows how patrilineal memory comes up against the fact that in every generation a wife must be involved with the consequent danger that the children might not sustain the memorial tradition of their paternal family The Mahabharata Patriline bridges a gap in text critical methodology between the traditional philological approach and more recent trends in gender and literary theory Studying the Mahabharata as an integral literary unit and as a story stretched over dozens of generations this book casts particular light on the events of the more recent generations and suggests that the text's internal narrators are members of the family whose story they tell

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
