## **Sound Of Writing:**

Sound Writing Shelley Trower, 2023 *Sound Writing* examines how oral histories are co created by speakers the authors who mediate them and readers It offers a thorough review of the varying arguments about editing for transcription and publication and reflects on how digital technologies enable a much wider access to oral data As an interdisciplinary study it considers how literary genres and oral history have long influenced each other and have informed our understandings of authorship and reading

*Sound Writing* Tobias Wilke, 2022-04-21 This book examines how writers and artists from the 1870s to the 1960s turned their attention to the physical process of spoken language Their goal was to capture this vocal acoustic phenomenon the bodily articulation of sound in legible form At stake was a crossing over from the audible to the visible from speech to notation from body to trace This book shows how the search for such possibilities and the various media techniques and concepts employed transformed the age old genre of poetry into a site of radical linguistic experimentation
