Broken Commandment, The 破れし戒め, 1974 Japan Foundation translation series **The Broken Commandment** Tōson Shimazaki, 1974 Japan Foundation translation series The Broken Commandment Shimazaki Toson, 1983 **The Broken Commandment** Vincent McDonnell, 1990-06 **Broken Commandment** Tōson Shimazaki, 1990 **Rebirth through self-dismantlement** Hiroko Krasnow, 1989 **The broken commandment [Hakai, engl.] Transl. by Kenneth Strong** Tōson Shimazaki, Kenneth Strong, 1974 **The Dawn that Never Comes** Michael K. Bourdaghs, 2003 A critical rethinking of theories of national imagination The Dawn That Never Comes offers the most detailed reading to date in English of one of modern Japan's most influential poets and novelists Shimazaki Toson 1872-1943 It also reveals how Toson's works influenced the production of a fluid shifting form of national imagination that has characterized twentieth century Japan Analyzing Toson's major works Michael K Bourdaghs demonstrates that the construction of national imagination requires a complex interweaving of varied and sometimes contradictory figures for imagining the national community Many scholars have shown for example that modern hygiene has functioned in nationalist thought as a method of excluding foreign others as diseased This study explores the multiple images of illness appearing in Toson's fiction to demonstrate that hygiene employs more than one model of pathology and it reveals how this multiplicity functioned to produce the combinations of exclusion and assimilation required to sustain a sense of national community Others have argued that nationalism is inherently ambivalent and self contradictory Bourdaghs shows more concretely both how this is so and why it is necessary and provides in the process a new way of thinking about national imagination Individual chapters take up such issues as modern medicine and the discourses of national health ideologies of the family and its representation in modern literary works the gendering of the canon of national literature and the multiple forms of space and time that narratives of national history require **The Broken Commandment** Kathleen Berke Benite, 1908 **The Kiso Road** William E. Naff, 2010-11-30 William E Naff the distinguished scholar of Japanese literature widely known and highly regarded for his eloquent translations of the writings of Shimazaki Toson 1872-1943 spent the last years of his life writing a full length biography of Toson Virtually completed at the time of his death The Kiso Road provides a rich and colorful account of this canonic novelist who along with Natsume Soseki and Mori Ogai formed the triumvirate of writers regarded as giants in Meiji Japan all three of whom helped establish the parameters of modern Japanese literature Professor Naff's biography skillfully places Toson in the context of his times and discusses every aspect of his career and personal life as well as introducing in detail a number of his important but as yet untranslated works Toson's long life his many connections with other important Japanese artists and intellectuals his sojourn in France during World War I and his later visit to South America permit a biography of depth and detail that serves as a kind of cultural history of Japan during an often turbulent period The Kiso Road as approachable and exciting as any novel with Toson himself as its complex protagonist is arguably the most thorough account of any modern Japanese writer presently

available in English **Sōseki** John Nathan,2018-05-15 Natsume S seki 1867 1916 was the father of the modern novel in Japan chronicling the plight of bourgeois characters caught between familiar modes of living and the onslaught of Western values and conventions Yet even though generations of Japanese high school students have been expected to memorize passages from his novels and he is routinely voted the most important Japanese writer in national polls he remains less familiar to Western readers than authors such as Kawabata Tanizaki and Mishima In this biography John Nathan provides a lucid and vivid account of a great writer laboring to create a remarkably original oeuvre in spite of the physical and mental illness that plagued him all his life He traces S seki s complex and contradictory character offering rigorous close readings of S seki s groundbreaking experiments with narrative strategies irony and multiple points of view as well as recounting excruciating hospital stays and recurrent attacks of paranoid delusion Drawing on previously untranslated letters and diaries published reminiscences and passages from S seki s fiction Nathan renders intimate scenes of the writer s life and distills a portrait of a tormented yet unflinchingly original author The first full length study of S seki in fifty years Nathan s biography elevates S seki to his rightful place as a great synthesizer of literary traditions and a brilliant chronicler of universal experience who no less than his Western contemporaries anticipated the modernism of the twentieth century From Book to Screen Keiko I. McDonald,2016-09-16 Of all the world s cinemas Japan s is perhaps unique in its closeness to the nation s literature past and contemporary The Western world became aware of this when Akira Kurosawa s Rashomon was awarded the Grand Prize at the Venice film festival in 1951 and the Oscar for best foreign film in 1952 More recent examples include Shohei Imamura s Eel which won the Palm d Or Best Picture at Cannes in 1997 From Book to Screen breaks new ground by exploring important connections between Japan s modern literary tradition and its national cinema The first part offers an historical and cultural overview of the working relationship that developed between pure literature and film It deals with three important periods in which filmmakers relied most heavily on literary works for enriching and developing cinematic art The second part provides detailed analyses of a dozen literary works and their screen adoptions **The broken commandment** Lady Angela Selina Bianca Forbes,1910 **The Broken Commandment** Joseph Carl McMullen,1926 *The Book Monthly* James Milne,1910 The Fireside annual [afterw.] pictorial annual [formerly Our own fireside] conducted by C.
