The Brazen Carter Brown,1981 **The Mafia's President** Don Fulsom,2017-11-14 Describes President Nixon s association through a political advisor and lawyer with individuals in the Mafia including Mickey Cohen Meyer Lansky Jimmy Hoffa and Carlos Marcello and details the favors he exchanged with them to advance his own career **Striptease** Rachel Shteir,2004 This first complete history of a century of striptease is filled with rare photographs and period illustrations

Let Them Bleed Aimie Noho,1997 **Surf, Sweat and Tears** Andy Martin,2020-03 I don t normally read books about surfers but this is like Truman Capote with shorts Lee Child Andy Martin to his immense credit knows that surfers are misfits and accidental comics as well as great athletes Matt Warshaw A sublime mixing of stoke and sorrow hedonism and the macabre skillfully and deftly penned by someone who had and still has intimate access to many of the key players Tom Anderson author of Riding the Magic Carpet A Surfer s Odyssey to Find the Perfect Wave This is the true story of Ted Viscount Deerhurst the son of the Earl of Coventry and an American ballerina who dedicated his life to becoming a professional surfer Surfing was a means of escape from England from the fraught charges of nobility from family and often from his own demons Ted was good on the board but never made it to the very highest ranks of a sport that like most treats second best as nowhere at all He kept on surfing ending up where all surfers go to live or die the paradise of Hawaii There in search of the perfect woman he fell in love with a dancer called Lola who worked in a Honolulu nightclub The problem with paradise as he was soon to discover is that gangsters always get there first Lola already had a serious boyfriend a man who went by the name of Pit Bull Ted was given fair warning to stay away But he had a besetting sin for which he paid the heaviest price He never knew when to give up Surf Sweat and Tears takes us into the world of global surfing revealing a dark side beneath the dazzling sun and cream crested waves Here is surf noir at its most compelling a dystopian tale of one man s obsessions wiped out in a grisly true crime **Some Girls** Jillian Lauren,2010-04-27 A jaw dropping story of how a girl from the suburbs ends up in a prince s harem and emerges from the secret Xanadu both richer and wiser At eighteen Jillian Lauren was an NYU theater school dropout with a tip about an upcoming audition The casting director told her that a rich businessman in Singapore would pay pretty American girls 20 000 if they stayed for two weeks to spice up his parties Soon Jillian was on a plane to Borneo where she would spend the next eighteen months in the harem of Prince Jefri Bolkiah youngest brother of the Sultan of Brunei leaving behind her gritty East Village apartment for a palace with rugs laced with gold and trading her band of artist friends for a coterie of backstabbing beauties More than just a sexy read set in an exotic land Some Girls is also the story of how a rebellious teen found herself and the courage to meet her birth mother and eventually adopt a baby boy UCANUUS ,1992 **Parliamentary Debates** Australia. Parliament,1906 **Behind the G-string** David Alexander Scott,1996 In recent years the number of strip clubs in the United States has increased dramatically Dressed up with terms such as gentlemen s clubs they often feature valet parking limousines executive dining

rooms extravagant menus and of course topless or nude women dancing on stage Stripping has become a big business with over 35 million people primarily men attending clubs each week But what about the women who perform in the clubs Why do they do it What is their perception of their job Numerous interviews with working strippers accompany extensive research in the literature Some strippers see stripping as simply a job others view it with a degree of embarrassment while many see it as an opportunity for empowerment Few became strippers by design but a surprising number continue to strip for many years The use of drugs and instances of abuse are covered as are the views of the strippers families
