The Camelot Caper:

The Camelot Caper Elizabeth Peters,1991 The Lethal Stuff of Legends For Jessica Tregarth an unexpected invitation to visit her grandfather in England is a wonderful surprise an opportunity to open doors to a family past that have always been closed to her But sinister acts greet her arrival A stranger tries to steal her luggage and later accosts her in Salisbury Cathedral Mysterious villains pursue her through Cornwall their motive and intentions unknown Jessica s only clue is an antique heirloom she possesses an ancient ring that bears the Tregarth family crest And her only ally is handsome gothic novelist David Randall her self proclaimed protector who appears from seemingly out of nowhere to help her in her desperate attempt to solve a five hundred year old puzzle For something from out of the cloudy mists of Arthurian lore has come back to plague a frightened American abroad And a remarkable truth about a fabled king and a medieval treasure could ultimately make Jess Tregarth very rich or very dead *Camelot Caper* Elizabeth Peters,1992 Jessica Tregarth is surprised and delighted to receive an invitation to visit her grandfather in England The only link she has with her dead father s family is an antique ring he had brought with him to America This would be a chance to learn more about who she is **Merchant Vessels of the United States** ,1972 *Merchant Vessels of the United States...* United States. Coast Guard,1971 **The Laughter of Dead Kings** Elizabeth Peters,2009-10-13 A royal treat Welcome back Vicky Bliss For readers new to Vicky s sassy and distinctively smart stories The Laughter of Dead Kings will mark the start of a beautiful friendship Tampa Tribune New York Times bestselling Grand Master Elizabeth Peters author of the thrilling fictional exploits of archaeologist Amelia Peabody in the Land of the Pharaohs brings back beautiful brainy art expert and sometime sleuth Vicky Bliss for one last adventure in The Laughter of Dead Kings The incomparable Peters sends Vicky and her colorful entourage racing across modern day Egypt to investigate the brazen theft of one the ancient desert land s most priceless treasures Smart funny evocative and suspenseful The Laughter of Dead Kings is a fond and fitting farewell to the ever delightful Vicky and a superior mystery fit for a King Tutankhamen [Guardian of the Horizon](#) Elizabeth Peters,2009-10-13 Readers have long wondered what befell the Emerson clan during the years before the Great War Now at last the silence is broken and the truth revealed of a perilous journey to a secret and mysterious place hidden deep in the heart of the unforgiving desert An adventure prompted by loyalty to an endangered friend and spurred on by lies and treachery it leads Amelia Peabody and her intrepid family into a nest of vipers lying in wait at a remote mountain fortress And when a dark past and a shocking mystery are ultimately discovered a loved one may be lost forever [The Mummy Case](#) Elizabeth Peters,2009-03-17 Radcliffe Emerson the irascible husband of fellow archaeologist and Egyptologist Amelia Peabody has earned the nickname Father of Curses and at Mazghunah he demonstrates why Denied permission to dig at the pyramids of Dahshoor he and Amelia are resigned to excavating mounds of rubble in the middle of nowhere And there is nothing in this barren area worthy of their interest until an antiquities dealer is murdered in his own shop A second sighting of a sinister stranger from the crime scene

a mysterious scrap of papyrus and a missing mummy case have all whetted Amelia's curiosity. But when the Emersons start digging for answers in an ancient tomb, events take a darker and deadlier turn and there may be no surviving the very modern terrors their efforts reveal. **The Serpent on the Crown** Elizabeth Peters, 2009-10-13 The New York Times bestselling Grande Dame of historical mystery Washington Post returns with another thrilling tale of mystery. As the 1921-22 season begins, the Emersons are enjoying a busy period of excavation in Egypt when they hear a lurid description of a man's mysterious death. His widow is convinced he died of a curse and implores the Emersons to return the deadly little statue that killed him to the tomb from which it was stolen before it adds her to its list of victims. Clearly it would be a serious error for the Emersons to start chasing tomb robbers just when they have finally received permission to return to the Valley of the Kings from which they were barred several years earlier. But the family soon realizes that the curse may be more real than they ever imagined and they may be the next victims. **The Falcon at the Portal** Elizabeth Peters, 2010-02-23 The Land of the Pharaohs harbors more secrets than any tomb can hide. In Egypt for the 1911 archaeological season, Amelia Peabody and her family are not anticipating trouble, but it finds them nonetheless. Their young friend David is accused of selling ancient artifacts and it's up to the Emersons to expose the real culprit. But the body of an American discovered at the bottom of their excavation shaft and a child of mysterious antecedents are sparking twin crises that threaten to tear the family apart. Amelia brings her estimable powers of deduction to bear, but she might not survive long enough to unravel more than one perplexing puzzle because suddenly someone is shooting bullets in her direction and coming too close for comfort. **Arthurian Fiction** Cindy Medavilla, 1999 Cindy Medavilla annotates over 200 Arthurian novels specifically focusing upon literature appropriate for young adults. Each entry is assigned an appropriate reading level and contains a detailed description of the book's plot. An index of titles, authors, characters, and specific themes is appended. The intended audience is young adult readers, grades six through high school, and the youth services professionals who serve them. **Die for Love** Elizabeth Peters, 2009-10-13 The annual Historical Romance Writers of the World convention in New York City is calling to Jacqueline Kirby, a Nebraska librarian who desperately desires some excitement. But all is not love and kisses at this august gathering of starry-eyed eccentrics and sentimental scribes. As far as Jacqueline is concerned, the sudden natural death of a gossip columnist seems anything but. And when she's approached by a popular genre star who fears for her own life, the resourceful Ms. Kirby quickly goes back to work as a sleuth. Because there's a sinister scenario being penned at this purple prose congregation, and when jealousy and passion are given free rein beyond the boundaries of the printed page, the result can be murder. **Street of the Five Moons** Elizabeth Peters, 2009-10-13 Vicky Bliss, a brain with a body like a centerfold, often has a tough time getting people to take her seriously. But when it comes to medieval history, this blonde beauty knows her stuff, and she's a master at solving mysteries that would turn the art world upside down. Vicky gasped at the sight of the exquisite gold pendant her boss at Munich's National Museum held in his hand: The Charlemagne talisman replica along with a note in

Borrower of the Night Elizabeth Peters,2009-10-13 Meet art historian Vicky Bliss She is as beautiful as she is brainy with unassailable courage insatiable curiosity and an expertise in lost museum treasures that often leads her into the most dangerous of situations A missing masterwork in wood the last creation of a master carver who died in the violent tumult of

the sixteenth century may be hidden in a medieval German castle in the town of Rothenburg The prize has called to Vicky Bliss drawing her and an arrogant male colleague into the forbidding citadel and its dark secrets But the treasure hunt soon turns deadly Here where the blood of the long forgotten damned stains ancient stones Vicky must face two equally perilous possibilities Either a powerful supernatural evil inhabits this place or someone frighteningly real is willing to kill for what Vicky is determined to find

The Seventh Sinner Elizabeth Peters,2009-10-13 At first Jean Suttman thought she had died and gone to Heaven when she was granted the opportunity to study in Rome But the body that s lying in the ancient subterranean Temple of Mithra the murdered corpse of a repulsive and disliked fellow student isn t her idea of heavenly Now she is truly frightened not just because small accidents seem to be occurring around her with disturbing regularity It s the ever increasing certainty that someone for some unknown reason is ruthlessly determined to do her harm Jean s innocent underground excursion into a sacred pagan place has trapped her in something dark and terrifying and even the knowledge that practical perceptive fellow American Jacqueline Kirby is on the case won t ease her fears Because there s only so far Jean Suttman can run and no escape for her except death

Trojan Gold Elizabeth Peters,2009-10-13 A Picture Is Worth A Thousand Words But the photograph art historian Vicky Bliss has just received gives rise to a thousand questions instead A quick glance at the blood stained envelope is all the proof she needs that something is horribly wrong The picture itself is familiar a woman adorned in the gold of Troy Yet this isn t the famous photograph of Frau Schliemann no this picture is contemporary The gold as Vicky and her fellow academics know disappeared at the end of World War II Now this circle of experts is gathered for a festive Bavarian Christmas All of them
