U N Adventure:

U. N. Adventure, 2011 *U.N. Adventure* Ramsey Montgomery, 1995 The reader's decisions control the course of an adventure involving civil war in Africa

U.N. Adventure Ramsey Montgomery, 2009 The involvement in the Model United Nations a nationwide school club leads the reader into the heart of global decision making The reader is asked to make choices which will determine the course of an adventure involving civil war in Africa

U. N. Adventure Ramsey Montgomery, 1995-01-01 The reader becomes a junior advisor to the United Nations and is assigned to a peacekeeping mission in Africa

Managing World Order Richard Alqaq, 2009-02-28 Since the end of the Cold War United Nations peace operations have become an established and prominent feature of world politics From Liberia to East Timor the UN now carries out extensive governance related functions and is a significant political force in Southern states and societies Here Richard Al Qaq leads us to a radical new understanding of the UN and its role in international politics He uncovers the political and socio economic import of such peace activities for subject societies and raises important questions about the functioning and dynamics of the global political order A critical view of the internal process of programmatic reform within the UN is elaborated by detailed studies of the politics of UN peace operations in three seminal cases of the 1990s in Somalia Rwanda and Angola This book is essential for understanding the new role of the UN especially in Africa and the politics of so called humanitarian intervention and peace building

Mother on Fire Sandra Tsing Loh, 2009-08-04 Sandra Tsing Loh is the fiercest funniest and most incredibly honest voice to emerge from the mommy war debates Here she fires away with the trademark satire of societal and personal irks prompted by her own midlife crisis when she realizes she can't afford private school for her daughter and her only alternative is her neighborhood's beyond repair public school Publisher's note

Scarce Heard Amid the Guns John Conrad, 2011-09-15 *Scarce Heard Amid the Guns* tears the curtain of myth away providing a rare visceral inner perspective of the various Canadian peacekeeping missions In the Service of Peace simple words that adorn the obverse of every United Nations medal yet behind this eloquence lurks violence and an unheralded heroism invisible to an often misunderstood quarter of Canada's military history The Canadian contribution to peacekeeping is enormous but ensnared in a lethal mythology that has seen it abandoned to popular folklore From the early and intrinsic Canadian contribution to the U N Emergency Force in 1956 through the blur of the frenetic 1990s down to the anemic level of contemporary Canadian participation it is difficult to make sense of the wide circumference of this significant legacy Until now *Scarce Heard Amid the Guns* provides an incisive perspective on the various Canadian missions their omnipresent doubt and untelegraphed terrors This insider's guided tour of our military at war in peace introduces us to some of the men and women who carried the day ordinary Canadians who did extraordinary things and continue to bear the scars of forgotten fields in their bones
