Waco Gang:

Waco's Badge J. T. Edson, 2009-05-19 Law beyond the limits In wide open Arizona outlaws run rampant since the authority of the local marshal ends at his town's borders A different breed of peace officer is needed and rancher Bentram Mosehan has accepted the responsibility of organizing a new Arizona State Police force He's looking for men who are brave honest and lightning fast with a six gun talents that a drifter named Waco and his amigo Doc Leroy possess in abundance But the two young Texans remember all too well their run ins with the Lone Star law and the last thing Waco and Doc want is to wear a badge But Mosehan knows these are men you need at your side when all Hell breaks loose And Waco'll be facing one tough choice once the bullets start flying in earnest serve or die **Proceedings** Texas Medical Association, 1892

Bonnie & Clyde Paul Schneider, 2009-03-31 A nonfiction novel in the style of Capote's *In Cold Blood* presents the story the way it might have been from the inside Allen Barra Chicago Tribune The flesh and blood story of the outlaw lovers who robbed banks and shot their way across Depression era America based on extensive archival research declassified FBI documents and interviews Strictly nonfiction no dialogue or other material has been made up and set in the dirt poor Texas landscape that spawned the star crossed outlaws Paul Schneider's brilliantly researched and dramatically crafted tale begins with a daring jailbreak and ends with an ambush and shoot out that consigns their bullet riddled bodies to the crumpled front seat of a hopped up getaway car Bonnie Parker and Clyde Barrow's relationship was at the core a toxic combination of infatuation blended with an instinct for going too far too fast The poetry writing petite Bonnie and her gun crazy lover drove lawmen wild Despite their best efforts the duo kept up their exploits slipping the noose every single damned time That is until the weight of their infamy in four states caught up with them in the famous ambush that literally blasted away their years of live action rampage in seconds Without glamorizing the killers or vilifying the cops the book alive with action and high level entertainment provides a complete picture of America's most famous outlaw couple and the culture that created them When David Newman and I were writing the screen play for *Bonnie and Clyde* we did an enormous amount of research but not nearly as much as Paul Schneider a splendid biography of two iconic American gangsters Robert Benton American screenwriter and film director *Katy Employes' Magazine*, 1916 [Doing Drugs and Dropping Out](#), 1991 This report assesses the societal costs of substance abuse especially cocaine and crack addiction and dropping out of school It is organized around three themes 1 the impact of cocaine and crack abuse in terms of crime public spending and lost productivity 2 policies that move addicts away from crack and 3 policies that reduce the high school dropout rate Based on extant literature the report quantifies a bottom line cost of drug abuse to have been between 60.4 billion and 124.9 billion in 1988 a figure that reflects the costs of health care economic loss and law enforcement relating to substance abuse Impact also is assessed in terms of private and social issues In evaluating the success of policies that have effectively moved addicts away from drugs important questions concerning criteria for success motivation for drug use and addiction are explored Law

enforcement treatment educational and prevention policies are evaluated The current literature on testing outpatient treatment and peer programs to reduce the motivation toward drug abuse and to move addicts away from cocaine and crack is reviewed In response to the issue of dropout prevention the report recommends a rethinking of the structure of high schools within a collaborative context involving parents schools and communities Included in the report are a working bibliography and a community service booklet that deals with the issues of this report on a local community level NB
