Wage Politics In Britain:

Wage Politics in Britain, 1945-1967 Gerald Allen Dorfman, 1974 **Wage Politics in Britain, 1945-1967** Gerald Allen Dorfman, 1973 Analysis of the role of the trade union congress tuc in the UK from 1945 to 1967 in relation to economic policy and wage policy measures to restrain wages inflation maintains that the tuc s power has been limited by pressure from within to refuse collaboration for wage restraint and examines political aspects the role of political partys political leadership economic planning strikes work etc Bibliography pp 160 to 176 and references Wage Politics in Britain Peter Dorey, 2001-10 One of the most controversial and problematic aspects of post war British politics concerned the various attempts by governments to secure wage restraint by the trade unions Until 1979 successive governments entered Office seeking to reassure the trade unions that they would not interfere with free collective bargaining only to revert to incomes policies when faced with higher inflation or unemployment These incomes policies assumed various guises and formulas and entailed various methods of enforcement and evaluation In addition to being invoked as a means of curbing inflation and unemployment some incomes policies were ascribed other objectives such as increasing productivity or eradicating poverty Yet incomes policies repeatedly brought governments into conflict with trade unions which resented the state s intervention in wage determination whilst also engendering disagreements within the political parties themselves Thus it was that from 1979 incomes policies were rejected as a means of securing wage restraint even though some politicians continued to believe in their efficacy Written from a political science perspective this book provides a comprehensive and in depth account of the history of incomes policies in post war Britain detailing the particular attempts at securing wage restraint pursued by each government up to 1979 and how and why incomes policies were abandoned thereafter Filling a major gap in the existing literature the book synthesizes previously published material with extensive primary sources extrapolated from Cabinet papers ministerial correspondence internal Treasury and Departmental papers and previously unpublished materials from the archives of the Labor and Conservative parties *Wage politics in Britain, 1945-67* G. A. Dorfman, 1974 Minimum Wage Policy in Great Britain and the United States Jerold L. Waltman, 2008 Describes and analyses the operation of current minimum wage policies and politics in the United Kingdom and the USA Traces the origins history and development of minimum wages in the two countries Argues that what most influences the minimum wage in both countries is the degree to which it is integrated in the political vision of how the state should assist the poor **British Trade Unions and Industrial Politics** John McIlroy, Nina Fishman, Alan Campbell, 2019-06-26 First published in 1999 this volume describes the political climate and state of trade unions after the second world war in Britain Detailing the transition of individuals who had survived in the war or had taken part in the war effort to going back a civilian life in 1945 Following the rise of the Labour party in Britain until 1964 **British Economic and Social History** R. C. Richardson, William Henry Chaloner, 1996 **British Social Politics** Carlton Joseph Huntley Hayes, 1913 *Politics UK* Bill Jones, Philip Norton, 2014-06-20 The

revised and updated eighth edition of the bestselling textbook *Politics UK* is an indispensable introduction to British politics. It provides a thorough and accessible overview of the institutions and processes of British government, a good grounding in British political history and an incisive introduction to the issues facing Britain today. With contributed chapters from respected scholars in the field and contemporary articles on real world politics from well known political commentators, this textbook is an essential guide for students of British politics. The eighth edition welcomes brand new material from eight new contributors to complement the rigorously updated and highly valued chapters retained from the previous edition. The eighth edition includes Britain in context boxes offering contrasting international perspectives of themes in British politics. A comprehensive who's who of politics in the form of Profile boxes featuring key political figures. And another thing pieces short articles written by distinguished commentators including Jonathan Powell, Michael Moran and Mark Garnett. Fully updated chapters plus new material providing excellent coverage of contemporary political events including The Leveson Inquiry, the aftermath of the 2011 riots and the House of Lords reform. A vibrant and accessible new design to excite and engage students as they work through a variety of political topics. A new epilogue to the book offering a critical perspective of the trials and tribulations of the Coalition Government including an overview of the major differences that divide the coalition partners.

A Short Social and Political History of Britain Robert Laird Mackie, 1929 *The Labor Situation in Great Britain and France* National Civic Federation. Commission on foreign inquiry, 1919 **New Trends in British Politics** Dennis Kavanagh, Richard Rose, British Politics Group, 1977 Annals of the American Academy of Political and Social Science , 1922 **Great Britain and the East** , 1925 **Sophisms of Free-trade and Popular Political Economy Examined** Sir John Barnard Byles, 1872 The British Australasian , 1919 **Report by His Majesty's Government in the United Kingdom of Great Britain and Northern Ireland to the Council of the League of Nations on the Administration of Togoland Under British Mandate for the Year ...** , 1930 **Economic and Social History of the World War. British Series** Carnegie Endowment for International Peace. Division of Economics and History, 1923 **The Saturday Review of Politics, Literature, Science and Art** , 1911 The National Union of Mineworkers and the Revival of Industrial Militancy in the 1970's Margaret Felicia Kahn, 1984
