**Clinical Neuropsychology** Mark E. Maruish, James A. Moses, 2013-05-13 With the emergence of clinical  
neuropsychology as one of the fastest growing specialties in psychology comes the need for current and future practitioners  
to stay abreast of the most recent research A number of professional journals more than adequately meet this need But there  
is also a need to stay up to date on the current thinking about important problems Drawing upon the expertise of leaders in  
the field the editors intent in this book was to provide the practitioner with a source for discussions of topics that are vital to  
their ongoing development as clinical neuropsychologists but that generally are not addressed in the literature to any great  
degree
