What Friends Are For Harriet Zaidman, 2025-10-28 Set in 1983 at the height of Canada's abortion debate this powerful nuanced YA novel follows a young girl as she grapples with an unplanned pregnancy At fifteen Leesa is preoccupied with friends crushes and schoolwork and looking forward to the freedom of earning her own money and learning to drive Although she doesn't think much about politics she has marched alongside her mother and friend Jenny protesting the planned opening of an abortion clinic in her city In her traditional close knit community abortion feels like a black and white issue with little connection to her real life But after she is raped at a party Leesa's life suddenly merges with the headlines of the day Now she is the one dealing with an unplanned pregnancy and everything she ever believed is turned upside down As she struggles to make a decision that could determine her whole future Leesa comes to realize that she is only one who should have the right to make a choice about her own body But will opening up to her family and friends mean losing them forever

That's What Friends Are For Wade Rouse, 2026-03-03 By turns hilarious tender and devastating Rouse's novel explores what it means to be the sandwich generation of gays today caught between those who paved the way for equality those who are too young to credit them and a world that seems increasingly hostile Jodi Picoult 1 New York Times bestselling author In this poignant and hilarious story inspired by TV's beloved *The Golden Girls* bestselling author Wade Rouse celebrates love aging finding your people and the art of impeccably timed one liners Theodore Copeland has created a fabulous life in the desert oasis of Palm Springs where he shares a fabulous pink mid century home with three fabulous friends Barry a former actor still clinging to his youth his hair and the memory of the dream role that killed his career Ron an uprooted Christian from the Midwest with a big heart but no one to give it to Sid who after coming out late in life has never found love Teddy is the caustic unspoken leader of *The Golden Gays* the foursome's monthly drag tribute to *The Golden Girls* Despite their foibles and bickering they have turned their golden years into a golden era But the harmony of their desert enclave becomes a carousel of emotional baggage when Teddy's estranged sister Trudy shows up on their doorstep her

dramatic teenage granddaughter in tow While Teddy keeps Trudy at arm s length she manages to wheedle her way into the lives of the Golden Gays until the real reason for her visit is revealed and the secrets they ve all been keeping from each other unravel faster than a hastily stitched hemline A novel that gives thanks to old friends That s What Friends Are For proves that while family may be the tie that binds it s the chosen family that truly keeps us together The Letters to His Friends: Books I-VI Marcus Tullius Cicero,1927 Latin English texts A Catechism for the Younger Members of the Religious Society of Friends ,1888 The Sunnyside ,1927 *The American Friend* ,1900 **The mother's three friends and their influence on the nursery and home** mrs.
