What is Criticism? Paul Hernadi, 1981 **Media Criticism in a Digital Age** Peter B. Orlik, 2015-07-24 Media Criticism in a Digital Age introduces readers to a variety of critical approaches to audio and video discourse on radio television and the Internet It is intended for those preparing for electronic media careers as well as for anyone seeking to enhance their media literacy This book takes the unequivocal view that the material heard and seen over digital media is worthy of serious consideration Media Criticism in a Digital Age applies key aesthetic sociological philosophical psychological structural and economic principles to arrive at a comprehensive evaluation of programming and advertising content It offers a rich blend of insights from both industry and academic authorities These insights range from the observations of Plato and Aristotle to the research that motivates twenty first century marketing and advertising Key features of the book are comprised of multiple video examples including commercials cartoons and custom graphics to illustrate core critical concepts chapters reflecting today s media world including coverage of broadband and social media issues fifty perceptive critiques penned by a variety of widely respected media observers and a supplementary website for professors that provides suggested exercises to accompany each chapter www.routledge.com/cw/orlik Media Criticism in a Digital Age equips emerging media professionals as well as perceptive consumers with the evaluative tools to maximize their media understanding and enjoyment **The**

Ascetic Imperative in Culture and Criticism Geoffrey Galt Harpham, 1992-02-15 In this bold interdisciplinary work Geoffrey Galt Harpham argues that asceticism has played a major role in shaping Western ideas of the body writing ethics and aesthetics He suggests that we consider the ascetic as the cultural element in culture and presents a close analysis of works by Athanasius Augustine Matthias Gr newald Nietzsche Foucault and other thinkers as proof of the extent of asceticism s resources Harpham demonstrates the usefulness of his findings by deriving from asceticism a discourse of resistance a code of interpretation ultimately more generous and humane than those currently available to us **The**

Theory of Criticism Raman Selden, 2014-09-25 This book is divided into five parts and covers representation subjectivity form structure and system history and society morality class and ideology Each part contains several thematic sections in which extracts from different writers and periods are juxtaposed The study of literary theory has tended to concentrate on very recent developments This volume however establishes both a sense of the continuities from Plato to the present day as well as the discontinuities These are presented through comparisons and contrasts across the entire field of critical history

Artistic Creation and Ethical Criticism Ted Nannicelli, 2020 Artistic Creation and Ethical Criticism investigates an idea that underpins the ethical criticism of art but is rarely acknowledged and poorly understood namely that the ethical criticism of art involves judgments not only of the attitudes a work endorses or solicits but of what artists do to create the work The book pioneers an innovative production oriented approach to the study of the ethical criticism of art one that will provide a refined philosophical account of this important topic as well as conceptual tools that can guide future philosophizing and
