What Shall We Do at Delhi? Edmund Wheeler,1857 What Shall I Call It? Vernice L. Boone,2003-02-03 The story is What Shall I call it and that is the real story of a casket hunter who is looking for the coffins that floated away in the great flood of 1922 The boxes contain the remains of people who are insured for a million dollars Wiley Tel Cleave is his name and he is what is known as an exact He has two right hands and he works for the Judges of The Perfect City of Villa Village located in the Rain Forest of Texas He goes from Texas to California and on to Nevada and many other places all over the U S in the underground cavern of the nation He is great at jumping out of windows and landing on his feet He is sometime believed to be the killer of the people he is looking for in these floating caskets He is a very mysterious kind of guy and some times really pitiful He is not a great fighter and can dive off three hundred feet bridges and land on his feet but he is a little afraid of his girl friend He will make you wonder if there is really a rain forest deep in the heard of Texas And is there really a man traveling in the cravens of the U S A looking for the people who were sat sail in the great flood What is Wind Bucket What are the other exact people like Two heads or lips Did a man really make a billion dollars insuring these people already dead So what is that under your feet A bookworm or what are you anyway Bringing in Sheaves.
