What The World Is Coming To:

The Next Day Tim Leiphart, 2011-10-05 Is it possible to spend an entire lifetime running as hard as you can only to look up sweaty and panting and find that you've barely left the starting line. It's very easy to get off track without the clear and steady voice of God directing and guiding you to the finish. But what does God's voice sound like? What is He saying? Where is He leading? God speaks into the everyday life of the Christian and the language He uses doesn't require a seminary degree or a position on the church staff for understanding. God asks only for eyes to see and ears to hear. Fishermen and tax collectors learned many of their most valuable lessons when they followed Jesus out of the synagogues and into the streets, marketplaces, hillsides, and seas to discover how God still speaks. Let's join the conversation. **World Agriculture**, 1920

The End of the World? Reginald Stackhouse, 1997 With the millennium fast approaching here is a book that is both timely and informative. Reginald Stackhouse reviews the long held belief that the world as we know it will end, that Christ will return, and that a new social order will be established. Writing in a popular style, Stackhouse provides an accessible look at eschatology, particularly biblical prophecies about the end of the world from a historical perspective. He outlines three ways of interpreting biblical discussions of the end times that have been employed in Christian history: Millennial confidence, the best is yet to come; Pastoral interpretation, the best is beyond this world; Social interpretation, the best can be found here and now. Throughout his work, the author uses historical figures and examples to illustrate his points. Our New Way Round the World Charles Carleton Coffin, 1881 **The Whole Gospel according to the Universal Theater of God's Kingdom**

Catherine Whittier Huber, Lynn C. McCallum, 2011-01-28 When our Father of Faith is tempted to sacrifice his sense of humor on the Altar of God's Demands, God intervenes in a surprising way that really makes Abe laugh. This is the same God whose hungry servant Elijah is fed by ravens, way out on the ragged edge and towards whom Moses manages a sidewise glance while on the lookout for greener pastures. Then along comes another tough act to follow: the Wild Man of Judea appearing in the Galilee Theater and baptizing Jesus of Nazareth in the Jordan River of God's Transforming Power and Hope. Then in the very next scene, Jesus, the Number One Draft Choice in all of Baseball, hops a trial ways bus to intensive training camp where he comes face to face with the temptations and adversities of the real world. Fortunately, Jesus has his Spring Training Manual handy for quick reference. Jesus then launches his teaching and healing career in many forms: as a dance instructor, farmer, chef, and even as a flamboyant pyromaniac arsonist who comes not to bring peace to the world but to set it on fire. For who can forget Marshal Jesus out along the Border of Sin and Forgiveness, encountering the Ten Men on Or the homefolks chant, Dr. Jesus, he's our man. If we can't use him, nobody can. Because when Anglo-Catholic Father Jesus meets an average parishioner at the Holy Water Basin and asks her to bless him with it, their engaging conversation prompts students of the Bible and pillars of the church to take a second look in order to watch ordinary altar candles suddenly take on more beauty and meaning than they have ever imagined before. So for those who have eyes to see, Look **Main Street** Sinclair
