cooking ashore The space is smaller there s no grocery store 5 minutes away you have fewer prepared foods and electric
appliances and food storage is much different Despite cruising different oceans we Jan and Carolyn both faced the same
challenges eating well while having time to enjoy all the other great aspects of cruising We love to snorkel swim kayak
explore and just sit and admire the view We learned with the cookbooks we both had aboard and wished for information that
wasn t available like when Jan ended up with a frozen chicken complete with head and feet and no instructions on how to cut
it up When we couldn t get foods such as sour cream English muffins spaghetti sauce or yogurt we adapted recipes to make
our own Other times we experimented with substituting ingredients maybe the result wasn t identical but it was still tasty We
ended up with over 150 substitutions and dozens of make it yourself options As we traded recipes and knowledge with each
other we realized we were compiling information that became The Boat Galley Cookbook 800 recipes made from readily
