## **Winning Back America:**

**Winning Back America** Mark J. Green, 1982      Dear America Graham Allen, 2021-08-10 A U S Army veteran and rising star in the conservative movement makes the case that the United States should look to the country as it was on September 12th 2001 for lessons about our future On the day after the World Trade Center was attacked Americans came together regardless of race religion or sexual orientation We were united On that day nearly every store in the country sold out of American flags After the events of the last eighteen months from the Covid 19 pandemic to the constant attempts to divide us by race Graham Allen believes that we should all look back on the events of 9 12 and remember what unites us He believes that we do not all have to be the same that it s okay not to agree on everything but that we share a common history and a set of values Just as the year 1776 serves as a reminder of our beginning 9 12 will serve as a reminder of our present and future

**The Greatest Man In Our Time** Brian W. Kelly, 2023-03-29 Modern pundits give Donald Trump little credit for anything even though he is clearly The Greatest Man in Our Time I would say it is because the bulk of the news media simply do not like him as he does not want to have anything to do with a Marxist agenda Before Trump set the world on fire from 2017 to 2020 the five highest rated presidents according to a C SPAN survey for example were Abraham Lincoln George Washington Franklin D Roosevelt Theodore Roosevelt and Dwight D Eisenhower I do not contest the fact that they showed greatness in office but when you look at all of Trump s accomplishments and the complexity of our times the 45th president deserves much more consideration That s why I wrote this book You may never choose to invite Donald John Trump over the house for breakfast or even a holiday gathering but looking back at his four years in office whether you like him or not most Americans admit those were some of the most prosperous and warless years we have had in our lifetimes We have the chance again to have the Greatest Man in Our Time as President in a few more years Let s do our best to assure it After you read this book I hope you feel as comfortable as I do to place Donald J Trump on the top of this venerable stack of great presidents With all of the flack Trump received as president there are clearly a number of Americans who would not cast their vote for Best President his way under any circumstance But there are a lot who would I am glad you are reading this book as it will help you know what a great man and a great president we can have again as our leader      **America** ,1911 The Jesuit review of faith and culture Nov 13 2017      **Reason** Robert B. Reich, 2005-03-08 For anyone who believes that liberal isn t a dirty word but a term of honor this book will be as revitalizing as oxygen For in the pages of Reason one of our most incisive public thinkers and a former secretary of labor mounts a defense of classical liberalism that s also a guide for rolling back twenty years of radical conservative domination of our politics and political culture To do so Robert B Reich shows how liberals can Shift the focus of the values debate from behavior in the bedroom to malfeasance in the boardroom Remind Americans that real prosperity depends on fairness Reclaim patriotism from those who equate it with pre emptive war making and the suppression of dissent If a single book has the potential to restore our country s good name and common sense it s this one

**The Great Story of Georgia Bulldogs Football II** Brian Kelly, 2022-09-30 This book is written for those of us who love Georgia Bulldogs Football and who cannot wait until our next win There is no need to be impatient because as of 2022 Georgia is now at the top of the pack and the Bulldogs win big games all the time Ask the others In 2022 of course we all know Georgia became the College Football Champions The founding of the University was in 1785 and before Georgia eventually played its first football game the first book was read at UGA right after Abraham Baldwin of the University of Georgia drafted legislation that became the charter of the university Georgia student life moved quickly as the first student organization was founded as the Demosthenian Literary Society was founded The first commencement was held with Josiah Miggs President presiding in 1804 For its first 50 years the school was known as Franklin College Soon after being established Charles Herty got football going on campus in the fall of 1886 and UGA played its first intercollegiate football game It took a while but in 1929 the school built its first stadium Sanford Stadium The rest of the college football is not necessarily thrilled that Georgia became so good so fast and now they are recognized as the best team in the nation Georgia won its first National Championship in 1942 In 1980 Georgia repeated its national championship with freshman Herschel Walker leading the way The Bulldogs remained a national powerhouse with a lot of close calls to greatness until 2022 when it again won another National Championship with a coach who was a great Georgia graduate Go Bulldogs This book captures the whole great story of Georgia football It takes the reader through stories about Georgia s great immortal coaches and great players over the years You will not be able to put this book down
