shipped from one track to another He formulated a bold betting strategy During the year he experienced the dizzying thrill of winning more than 10 000 in an afternoon and agonizing frustration that drove him to bash a hole in the wall of the Gulfstream Park press box When it was over Beyer had amassed a profit of 50 664 His account of the year offers a rare unromanticized look at the world of professional gambling For horseplayers who have dreamed of beating the races he proves that the dream is sometimes attainable And he explains in specific detail how it can be done There are no gimmicks in My 50 000 Year At The Races Instead there is a proven method of beating the races and Andrew Beyer s marvelously entertaining story of how he put it in practice

Beyer on Speed Andrew Beyer,2007 Written in Beyer s clean rapid fire prose this book explains how to relate speed figures to such factors as pace track bias and track conditions It discusses exotic wagers such as the pick six and reveals optimal uses of the figures based on computer analysis of more than 10 000 races Blending colorful anecdotes it presents a revolutionary way to play the horses
