The Infinite Game Niki Harré, 2018-05-10 Whether we are competing for a job building a business or championing a good cause some days it can feel as if we are trapped in an endless competition for status wealth or attention Maybe if we learn to play the game and follow the rules we ll come out on top But is life really a finite game a game of selection and rules winners and losers players and spectators In *The Infinite Game* Niki Harr asks us to imagine our world anew What if we are all part of a different type of game entirely where playing matters more than winning anyone can join at any time and rules evolve as new players turn up an infinite game Harr looks at our society are people pawns or participants and ourselves what kind of player would you like to be to offer an inspiring vision of how we might live well together Deeply informed by psychological research and a life of social activism Niki Harr s provocative book teaches us all how we might live life as an infinite game
