

WINTHROP'S BOSTON

A Portrait of a Puritan Town, 1630-1649

DARRETT B. RUTMAN

Winthrops Boston

Darrett B. Rutman

Winthrops Boston:

Winthrop's Boston Darrett B. Rutman, 2014-01-01 Winthrop's ideals were quite different from those generally ascribed to him and the reality in New England was quite different from the ideals. The broad purpose of this analytical and interpretive study is to establish a Winthropian ideal and assess the difference between the ideal and the reality that evolved. It traces Boston's evolution from a community to a viable society. Originally published 1965. A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value.

Winthrop, 2002. It has been referred to as the Little Republic and the Jewel of the North Shore but to local residents both current and past the small peninsular town of Winthrop will always be home. Winthrop's insularity and geographic position as a natural barrier between Boston and the Atlantic has created a unique place to live and the best kept secret around a place to enjoy the spectacle of the sea, the folksiness of a small town and with its proximity to Boston a pinch of urban sensibility. Winthrop explores the fascinating and diverse history of the town first as an early Native American habitat and then as the site of Colonial agrarians, wealthy landowners and a copper works. It takes you to the waterfront which became a magnet for tourists, the yacht clubs and hotels that opened and the beach activities that became a passion for sweltering city dwellers. Winthrop shows how from the American Revolution through the Cold War the town played host to the military, having forts, cannons, radar and tunnels and how the town nearly had the distinction of having the world's first electric transit system, a monorail which met a mysterious demise days before the start of construction.

The Memorial History of Boston Justin Winsor, 1881

Governor Winthrop's Return to Boston: An Interview with a Great Character George Washington Warren, 2019-12-23. In *Governor Winthrop's Return to Boston: An Interview with a Great Character* George Washington Warren intricately weaves a narrative that captures the essence of leadership and moral fortitude during the formative years of colonial America. Set against the backdrop of an emerging New England, Warren employs a literary style characterized by rich descriptive prose and dialogue that feels vibrant and authentic. This historical work not only provides a compelling examination of John Winthrop's ideals and governance but also explores the complex interplay of religion, politics and community that shaped the early Puritan society in Boston.
