Sorry What Does It Mean:

State Apologies to Indigenous Peoples Francesca Dominello, 2024-08-16 This book considers the ethics and politics of state apologies made to Indigenous peoples The prevalent tendency to treat an apology as a speech act has maintained the focus on the state leader making the apology and not on the victims claims This book demonstrates the inherent shortcomings of this approach through an examination of apologies delivered to Indigenous peoples in Australia and Canada Contrasting the texts of these apologies with Indigenous peoples responses the book develops an understanding of apology as a relational process This involves engaging indigenous peoples in dialogue the aim of which would be to address past injuries by fulfilling the apology s transformative promise of never again to indigenous peoples satisfaction The book concludes by examining more recent developments in Australia and Canada that highlight the continuing need for government accountability to fulfil this promise and ensure indigenous people s rights and interests are upheld This book will be of considerable interest to scholars and students in the fields of law and politics Indigenous studies forgiveness studies transitional justice and reconciliation settler colonialism and decolonisation

Communication Harmony Karen Phillip, 2019-08-13 The direction of many of our conversations can be changed quickly when you know how Once you learn to lead the conversation others will follow ensuring your discussion is productive rather than explosive These skills can be used anywhere with anyone They calm the conversation and put the focus on the solution instead of the problem
