**Soul Solution Search: God** Somu Sivaramakrishnan,2020-04-09 Welcome and Thank you for joining me in this Conversation In this journey with a fellow soul let s mutually find out how a completely reasonable harmonious goodness and happiness filled life can be real and

plausible for Us and for All Souls Irrespective of any of our current beliefs Especially in a profound way observe discover realize and enjoy that you are the most valuable soul that exists and deserves the most blissful happiness in a very positive way When we attempt to solve a problem with Complete Inclusivity in as many aspects as reasonably possible we could create thriving Solutions When we focus on Completeness better understanding of Souls could be vital It would lead us to creating best of the Sustainable solutions Essentially as it would benefit praise raise and include All involved It is about every single individual s happiness starting from our own self Some of us might ask How can we even define Goodness as it could differ for different people and groups We could focus on facts outcomes pros and cons so far It is a journey We must attempt to properly realize and understand If we do so for even small Goodness we produce we forward ourselves to further True Inner Joy That we cannot even conceive or articulate We have got All and Beyond to create such blissful state But the willingness of those souls that feasible can Also the contribution of ALL involved sensibly with No Exceptions End of the Soul Solution Search for reasonable common problems and sufferings The Dawn of the Complete Eternal Bliss for All Starting from You Especially in a profound way observe discover realize and enjoy that you are the most valuable soul that exists Who also deserves the most blissful happiness in a very profound and positive way Based on common intelligence and Rational thoughts I believe that God must exists irrespective of anyone believes it or not It would be similar to wind exists not because everyone and everything that breathes it Believes in it and also able to make sure of its existence all the times But because just it is the way it is Profound Nature Naturally as part of evolution the concept of the God exists for thousands of years Everything evolves over time and so our understanding of God In general evolution happens both in beneficial rightful ways and harmful wrongful ways The beneficial rightful ways generally evolve starting with Reasoning and slowly Sustainably For each of us and our Souls we do not rationally remember if we believed to be born but we were born and we are living our lives Similarly our lives end when it supposed to be all is done for each of us in this life Our lives apparently happened to start and should obviously happen to end without much of our own Known and Careful control More reasonably at least for the most problems that we face the most reasonable rewarding and harmonious solutions exist Our existence is the most important and our own happiness is the paramount for each of us How we achieve such possibly sustainable happiness could differ among us Currently we are Racing for something that we do not have clear understanding of Human Race in many ways has long way to become a truly blissful Human Kind Such truly thriving Human Kind with profound understanding reasonable beliefs and implementable frameworks would produce sustainable happiness for the entirety It is apparent that we have the blessings of the divinity Do we have the Willingness to do what is right for ourselves God knows every single thought word deed and consequences caused So Think and do Good to save yourself and be happier Let s pray for God bless all of us Thank you very much once again for your brief journey with me Have a Great Day Every Day *Physiology of the Soul and Instinct, as Distinguished from Materialism* Martyn Paine,1872 **Soul Solution Search: Soul Somu**

Sivaramakrishnan,2020-03-30 A simple fellow soul who believes in completely rational eternal and heavenly happiness can be plausible for all starting from You Irrespective of who we are it would greatly help us understand the most Reasonable and the most Useful divine concepts like Soul and importantly reap benefits of it personally and for all For more blissful meaningful reliable and sustainable everyday life starting from our own self understanding of the commonly misunderstood and unclear relationships among all the existences provides us greatly profound functional wisdom At any level feasible we must try to attain Complete Goodness given the circumstances and then carry on afterwards equitably We must rationally help each other as we are helping our own selves Naturally or at least for our own Unexplainable Soul s Goodness that Pushes for the Hidden Eternal Happiness During this journey if properly realized and understood for even small Goodness we produce we forward ourselves to further True Joy that we cannot conceivably articulate For reliable happiness we might make mistakes along the way that need not stop this Soul s Goodness Journey We have got ALL and BEYOND but WILLINGNESS of those who feasible can and contribution of ALL WITH NO EXCEPTIONS SENSIBLY This would accomplish the state of Conclusive Truth Remarkably Phenomenal Timeless Happiness When it transpires it would be YOU the first to relish Along with you everyone will join you harmoniously It is completely feasible End of the Soul Solution Search for reasonable common problems and sufferings and Dawn of the Complete Eternal Bliss for All Starting from You In this journey with a fellow soul let s mutually find out how a completely reasonable harmonious goodness and happiness filled life can be real and possible for Us and for All Souls This would further be irrespective of any of our current good believes that we praise and protect Especially in a profound way observe discover realize and enjoy that you are the most valuable soul that exists and deserves the most blissful happiness in a very positive way Really I think so Let s briefly explore In brief the patterns recommend that all starts from individuals and their own seeking for happiness Irrespective of the numerous believes that we may have if we are not here it would make no sense at all as we wouldn t even know the existence of anything here Our existence is the most important and our own happiness is paramount for each of us How do you even know that I am a Good Soul you may ask Well as we start this brief journey where I know nothing about you I wanted to positively assume something Good about you So I assumed and addressed you as Good Soul I call this Positive Prejudge Enabling for the ease and please of the conversations Life that is made up of such pleasant small and simple things as Thinking someone Good and Thanking someone for even small things make it more beautiful and natural Feeling Thankful sharing and expressing make it greatly pleasing for everyone involved even though it might make us slightly uncomfortable at some circumstances though in a Good way For the most it ensures enables and empowers to be happier than if otherwise just based on the materialistic circumstances No need for any compelling complex sacrilege tests but some basic levels of willingness and openness in the Good Soul conversation without need for any comparing conflicting or concluding on one s views are better than the other s Rather through complacent mutual complements just pure seeking asking listening possible

mutual learning consuming benefiting enjoying and finally Thanking for each other Believe it or not whoever you are and whatever you did then and do now You are a Good Soul Just reasonably work on it Thank you Have a Great Day Every Day
