J. Zamboni,2015-04-07 Over the Broken Bridge is a collection of short stories which traverses over the facades of a shallow civilization and cracks the fragile eggshell of the human psyche Each individual story is a personal ambition to overcome the indoctrinated predicated beliefs of our society versus our own primitive instinctual power to resort back to the never ending quest for freedom and inner peace Combined they represent a transcendental parable of personal triumph fleeting folly and colossal failure Each pivotal moment allows one the option to follow their inner voice or subside to the pressures of the popular norm Some find freedom while others remain trapped deep inside a dark well never able to climb out even when a bright beacon of hope shines in their eyes every time they look up Over the Broken Bridge is sanguine and enlightening as it is macabre haunting and disturbing It pushes the limits of what we perceive as right or wrong and digs deeper and darker than most would like to go It not only makes one look at oneself but what outside forces mold us into whom we eventually become ABOUT THE AUTHOR C J Zamboni is an award winning writer of fiction and film He currently resides with his family in a small town on a quiet street in New Jersey where he continues to work on new material      At the End of the Broken Bridge István Turczi,2005 This anthology of 25 Hungarian poems one from each year from 1978 to 2002 presents an alternative view of how the past quarter century has unfolded in Hungary A number of poets in this volume will be familiar to Anglophone poetry lovers such as Agnes Nemes Nagy Otto Orban and Sandor Weores while others are being translated for the first time BOOK JACKET      *Broken Bridge Lies Body of Water*. *The Broken Bridge* Francis S. Laari,2025-12-15 I have seen what war leaves behind not only shattered buildings but shattered lives In the Middle East bridges are not just stone and steel they are lifelines When they collapse so does trust unity and the hope of generations In *The Broken Bridge* I confront the painful truth of conflict the grief of families burying their loved ones the despair of youth growing up in fear and the silence of leaders who choose power over peace A broken bridge is more than a ruin it is a symbol of betrayal division and forgotten humanity But I refuse to believe that this is where the story ends This book is both a reflection and a plea that we recognize the cost of anger that we reject the poison of hate and that we give the next generation something stronger than rubble to inherit Can broken nations rebuild Can wounded communities find healing I believe they can And I wrote this book as a call to imagine to rebuild and to believe that even the most broken bridge can one day carry us forward again

About The Author Dr Francis S Laari is the director and CEO of Youth Education Services of America He spent over thirteen years in law enforcement with the Virginia Department of Corrections As a law enforcement officer he embraced leadership roles and responsibility as the hallmark of every citizen He is a parent and passionate advocate for youth of all levels As an advocate for youth Dr Laari hopes to inspire politicians leaders worldwide and every citizen across the globe to show leadership roles and responsibility in all their endeavors to the youth He is an immigrant from Ghana He is also a recent graduate of Walden University majoring in Law and Public Policy Public Administration Dr Laari lives in Virginia with his family and a six month old German Shepherd called Koko
