The Fear:

Preaching the Fear of God in a Fear-Filled World Dawn Ottoni-Wilhelm,2020-01-01 Fear runs rampant in the world today including fears related to the rise of nationalism refugees political corruption violence religious extremism and climate crises Amid these existential realities the biblical idea of the fear of God poses theological opportunities and challenges for those who address these themes in their preaching and public ministry This collection of conference presentations from the 2018 meeting of Societas Homiletica focuses on how preaching and homiletical studies around the world address the rhetorical biblical political and spiritual dimensions of fear as it has emerged in recent decades in church and society

Where Is the Fear of God? Charles Von Hammerstein,2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes

The Great Gain of Godliness Thomas Watson,2025-06-01 As Paul wrote to his young disciple and co laborer Timothy godliness is a great gain But in what respect is godliness a great gain And how can a Christian attain the biblical godliness that is gainful Watson starts with the most unexpected ingredient by any modern Christian the fear of God and explains why and how the fear of God obtains for the true believer that godliness that is a great gain Then he continues to sketch the portrait of the true godliness by talking about how that believer things talks and acts in the light of that Gospel fear But Watson does not stop here He discusses then what is the great gain about the true biblical godliness and he does this in a marvelous way atypical Puritan approach You cannot put this book down once you start reading it This book was originally published in 1681 This edition has been proofread typeset for eBook readers and lightly updated for modern readers

[The Lord Project](#) John M Masciale,2024-10-23 How does God relate to us what does He want from us and how do we relate to God Those questions and many more are woven throughout the many books of the Bible in the form of histories parables poetry stories and theological discourse John M Masciale draws on his expertise writing software to pore through the intricacies of the Bible in The Lord Project Using computer search algorithms the author ties together the threads of the Bible on a variety of themes searching for significant words around the phrase the Lord as well as the significant words surrounding Father Jesus Christ and Spirit Much more than a topical Bible or a concordance this book compiles verses about God s nature and other essential themes Chapters are organized topically so you can focus on the

subjects you care about the most No matter what your education level or profession if you are a student of the Bible want to understand its teachings and move closer to the Lord this book will help you achieve your goals
