The Canadian UFO Report Chris A. Rutkowski, Geoff Dittman, 2008-07-03 The Canadian UFO Reports is a popular history of the UFO phenomenon in Canada something that has captured the imaginations of young and old alike Drawn from government documents and civilian case files many previously unpublished the book includes a chronological overview of the best Canadian UFO cases from the very first sighting of fiery serpents over Montreal in 1662 to reports from the past year There are chapters on the government s involvement with UFOs UFO landing pads media interest and even UFO abductions What were the ghost airplanes seen over the Parliament Buildings in 1915 or the flying saucers seen by military officers over Goose Bay Air Force Base Newfoundland in the 1940s and 1950s Was a prospector burned by a UFO in Manitoba in 1967 Did a UFO crash off the coast of Nova Scotia Was Quebec invaded by UFOs in 1973 Find out here [The UFO Report](#) Timothy Good, 1991 **Ufos** Raymond Fowler, 2001-05-29 Exciting fully documented on site personal investigations of UFOs

UFOs and Government Michael D. Swords, 2012 Governments around the world have had to deal with the UFO phenomenon for a good part of a century How and why they did so is the subject of *UFOs and Government* a history that for the first time tells the story from the perspective of the governments themselves It s a perspective that reveals a great deal about what we citizens have seen and puzzled over from the outside for so many years The story which is unmasked by the governments own documents explains much that is new or at least not commonly known about the seriousness with which the military and intelligence communities approached the UFO problem internally Those approaches were not taken lightly In fact they were considered matters of national security At the same time the story reveals how a subject with such apparent depth of experience and interest became treated as if it were a triviality And it explains why one government the United States government deemed it wise and perhaps even necessary to treat it so Though the book focuses primarily on the U S government s response to the UFO phenomenon also included is the treatment of the subject by the governments of Sweden Australia France Spain and other countries This large format fully illustrated book is the result of a team effort that called itself The UFO History Group a collection of veteran UFO historians and researchers who spent more than four years researching consulting writing and editing to present a work of historical scholarship on government response to the UFO phenomenon Michael Swords was the primary author of the United States chapters The work was coordinated and edited by Robert Powell Clas Svahn Vicente Juan Ballester Olmos Bill Chalker and Robert Powell contributed country chapters Jan Aldrich was the primary content consultant with additional content consultation and writing coming from Barry Greenwood and Richard Thieme Steve Purcell was the primary photo illustration editor From the foreword by Jerome Clark While *UFOs and Government* revisits an often unhappy history the reading of it is far from an unhappy experience The authors eloquent intelligent sophisticated and conscientious provide us with the first credible comprehensive overview of official UFO history in many years Most of the current volume deals with U S military and intelligence responses to the UFO phenomenon but it

also features richly informative chapters that expand the story across the international arena If you re looking for an example of a nation that dealt productively with the UFO reports that came its official way you will take heart in the chapter on the French projects From here on every responsible treatment of UFOs and government will have to cite UFOs and Government prominently among its sources this is the real story as accurately as it can be reconstructed in the second decade of the new century I expect to keep my copy close at hand and to return to it often While it cannot be said of many books UFO themed or otherwise this is among the essential ones Stray from it at your peril The Andreasson Affair Raymond E.

Fowler,2014-10-20 This examination of a case of alien abduction will captivate bother intrigue and even frighten as one contemplates its implications Dr J Allen Hynek founder Center for UFO Studies CUFOS Reviews The Andreasson Affair is more than just a classic example of a close encounter It is to use the jargon of ufologists a case of such high strangeness that even the most open minded investigators were at first inclined to dismiss it out of hand Yet it has become probably the best documented case of its kind to date the subject of an intensive 12 month investigation conducted for the Center for UFO Studies CUFOS that involved among other things the recording of large quantities of testimony given under hypnosis extensive lie detector testing of witnesses detailed analysis of corroborative circumstantial evidence exhaustive comparison with other such accounts and much more The Andreasson Affair includes The most detailed description of any UFO abduction experience Betty s precise drawings of her experience A supporting foreword to the book by astronomer Dr J Allen Hynek Verification of all events associated with Betty s experience This new edition contains a new afterword for a new generation Something extraordinary happened to Betty Andreasson Maybe she encountered non human visitors or maybe something even more strange Whatever the origin of her experience her immensely powerful story awed me Its rich and provocative imagery will remain with me forever Whitley Strieber author of *Communion* *UFOs and Abductions* David Michael Jacobs,2000 Examining the nature of UFO evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of UFOs The volume also brings together three bestselling authors David M Jacobs Budd Hopkins and Pulitzer Prize winner John Mack widely known for their writings on the controversial alien abduction phenomenon The UFO Evidence National Investigations Committee on Aerial Phenomena,1964 **Final Report of the**
