Ancient Alien Theory Decoded Robert Sickler,2015-10-22 For those who undertake a serious investigation of unidentified flying objects UFO there can be no questioning their reality Still our government would have people believe UFOs are natural earthly phenomenon Ancient alien theorist however claim unidentified flying objects are highly advanced alien mechanical devices Furthermore the theorist would have us believe aliens are associated with the genesis of mankind and during our formative years they guided us with both technology and the teaching of civil moral standards On the one hand we have our government saying it is nothing and on the other hand we have ancient alien theorists saying ancient aliens were the gods we used to worship We cannot help but wonder why the government denies alien existence and at the same time ancient alien theorists preach a coming alien salvation It is only when the ancient alien theory is decoded that elements of truth are revealed
