Venice, the Tourist Maze Robert C. Davis, Garry R. Marvin, 2004-06-25 The tourist Venice is Venice Mary McCarthy once observed a sentiment very much in line with what most of the fourteen million tourists who visit the city each year experience but at the same time a painful reality for the 65 000 Venetians who actually live there Venice is viewed from a new perspective in this engaging book which offers a heady one city tour of tourism itself Conducting readers from the beginnings of Venetian tourism in the late Middle Ages to its emergence as a form of mass entertainment in our time the authors explore what happens when today s industrial tourism collides with an ancient and ever more fragile culture Giving equal consideration to those who tour Venice and those who live there their book affords rare insight into just what it is that the touring and the toured see experience and elicit from each other

Race talk Antonia Lucia Dawes, 2020-07-28 Race talk is about language use as an anti racist practice in multicultural city spaces The book contends that attention to talk reveals the relations of domination and subordination in heterogeneous ethnically diverse and multilingual contexts while also helping us to understand how transcultural solidarity might be expressed Drawing on original ethnographic research conducted on licensed and unlicensed market stalls in in heterogeneous ethnically diverse and multilingual contexts this book examines the centrality of multilingual talk to everyday struggles about difference positionality and entitlement In these street markets Neapolitan street vendors work alongside documented and undocumented migrants from Bangladesh China Guinea Conakry Mali Nigeria and Senegal as part of an ambivalent cooperative and unequal quest to survive and prosper As austerity anti immigration politics and urban regeneration projects encroached upon the possibilities of street vending talk across linguistic cultural national and religious boundaries underpinned the collective action of street vendors struggling to keep their markets open The edginess of their multilingual organisation offered useful insights into the kinds of imaginaries that will be needed to overcome the politics of borders nationalism and radical incommunicability An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence
