

# WAKING WALT

The title 'WAKING WALT' is rendered in a stylized, three-dimensional font that appears to be dripping with water. The letters are light blue and white, with small droplets hanging from their bottom edges. Below the text, several streams of water fall into a large, irregular pool of water at the bottom of the frame. The pool is dark blue and black, with ripples and reflections of the falling water. The background is a solid black, making the water and the white text stand out prominently.

## **Waking Walt:**

**Waking Walt** Larry Pontius,2002-12 WAKING WALT is a spellbinding take on one of America s most enduring urban legends Could it be true Walt Disney was never cremated and buried at Forest Lawn as the official story goes Imagine that for nearly 40 years the great entertainment genius has been in cryonic suspension waiting to return when a cure for his lung cancer is found Now an experimental drug being tested looks like the answer The waiting is almost over Then disaster strikes In a d j vu nightmare for The Disney Company a ruthless corporate raider launches a takeover attempt planning to sell off the company s assets to the highest bidders And this time there are no white knights in Disney s corner But the Circle is still there the small group of confidants who helped Walt escape death and who have been guarding him and his secret ever since Even though they re all old men now they re not about to let Walt s company be torn apart without a fight And they know just who can lead them However as they scurry to wake him the Circle discovers there are powerful forces that want the dead to stay dead But they don t know Walt Disney *Power and Paradise in Walt Disney's World* Cher Krause Knight,2019-08-19 Peels back the actual and contextual layers of Walt Disney s inspiration and vision for Disney World in central Florida exploring the reasons why the resort has emerged as such a prominent sociocultural force *Testimony of Jesus Christ* Walter S. Maybury,2023-09-21 I wrote this book to leave by witness to others that I have grown to know the Lord Jesus Christ He is the most honest kind loving and wise person I have ever had the privilege of meeting through correspondence and faith I have learned that it is smart to listen to His directions as recorded in the scriptures the King James Version of the Bible as St Matthew St Mark St Luke and St John These have given me peace direction and happiness while helping me become a better person This has resulted in good family and friend relationships more enjoyment in daily work and yielded a more patient less frustrated person I feel happier and useful My heart is more resilient and compassionate I can see that He is helping me refine myself to be the best person I can be each day What makes this scripture book different is that each apostle s recollection of our Savior s life is noted together on the same page chronologically arranged to show events of birth death and resurrection you can get these four witness accounts of each event of the Savior s life at the same time I have found that reading the recorded story of Jesus Christ in this manner adds context and perspective There is added emphasis to credibility and understanding This promotes the reader to listen ponder and better decipher meaning while reflecting on personal applicability and faith Learning what is recorded about Him in this fashion I have found that my prayers are heard there is more peace in my heart and desire to be honest I awake each morning grateful for more time hoping to discover and accomplish something useful and good while staying in touch with the Master Teacher I hope that you might read this scripture arrangement and know Him better too Walter Maybury *The Gospel according to Disney* Mark I.
