What Remains and Other Stories Christa Wolf, 1995-12 What Remains collects Christa Wolf s short fiction from early work in the sixties to the widely debated title story first published in Germany in 1990 Addressing a wide range of topics from sexual politics to the nature of memory these powerful and often very personal stories offer a fascinating introduction to Wolf s work What Remains and Other Stories is clear and farsighted The eight heartfelt stories in the book show why she has been respected as a serious author since her 1968 novel The Quest for Christa T Wolf uses her own experiences and observations to create universal themes about the controls upon human freedom Herbert Mitgang New York Times Christa Wolf has set herself nothing less than the task of exploring what it is to be a conscious human being alive in a moment of history Mary Gordon New York Times Book Review The simultaneous publication of these two volumes offers readers here a generous sampling of the short fiction speeches and essays that Wolf has produced over the last three decades Mark Harman Boston Globe

The Beauty of What Remains Steve Leder, 2023-01-03 The national bestseller From the author of the bestselling More Beautiful Than Before comes an inspiring book about loss based on his most popular sermon As the senior rabbi of one of the largest synagogues in the world Steve Leder has learned over and over again the many ways death teaches us how to live and love more deeply by showing us not only what is gone but also the beauty of what remains This inspiring and comforting book takes us on a journey through the experience of loss that is fundamental to everyone Yet even after having sat beside thousands of deathbeds Steve Leder the rabbi was not fully prepared for the loss of his own father It was only then that Steve Leder the son truly learned how loss makes life beautiful by giving it meaning and touching us with love that we had not felt before Enriched by Rabbi Leder s irreverence vulnerability and wicked sense of humor this heartfelt narrative is filled with laughter and tears the wisdom of millennia and modernity and most of all an unfolding of the profound and simple truth that in loss we gain more than we ever imagined
