and ESL ELL     What Time Is It? Geneva Jackson,2022-01-26 The inspiration of this book came from a broken clock I found in my home while I was cleaning As I focused on the clock I realized the hands were broken and so I did not know the exact time The clock represented how we as humans take time for granted and how we as Christians take God s time for granted God s time is infinite and we seem to only require his time when it is beneficial for us So What Time Is It is a question that does not require an answer associated with physical time but the time we have to give to God     What Time is It?. ,2002 Clock time tutorial drill disc on how to tell the time Deals with 12 hour clock time only not with 24 hour clock time
