

# Winter Search Party

**Sir Ernest Henry Shackleton**

## Winter Search Party:

Dictionary of National Biography Leslie Stephen, 1896      **Being the reports of the journeys and the scientific work undertaken by Dr. E.A. Wilson and the surviving members of the expedition** Robert Falcon Scott, 1914      Cobbett's Parliamentary Debates Great Britain. Parliament, 1920      Annual Departmental Reports Canada. Dominion Bureau of Statistics, 1930      **Scott's Last Expedition ...** Robert Falcon Scott, 1913      *LIVING PAGES* SHYAM SUNDAR BULUSU, 2019-07-02 The short stories that populate this book hold a mirror to various facets of life They reflect a gamut of diverse emotions and moods They display a rich variety of writing styles apt for the narrative sombre for a serious social theme flippant for a humorous anecdote even a classical play format and so on The vibrant energy from these reflections of life turns the otherwise inanimate pages into Living Pages      **Arctic Explorations and Discoveries During the Nineteenth Century** Samuel Mosheim Smucker, 1886 Narrative of chief adventures and discoveries of arctic explorers during the nineteenth century      **Report** Royal Canadian Mounted Police, 1929      **In the Antarctic** Frank Debenham, 1998 Account of lighter side of Scott's 1910-13 Terra Nova expedition Includes extracts from journal South Polar Times published during expedition      **Miscellaneous Documents** United States. Congress. House, 1884      *The Journal of the Manchester Geographical Society* Manchester Geographical Society, 1905      Scott of the Antarctic Sue Blackhall, 2012-04-19 A fascinating biography of the British explorer whose legendary expedition to the South Pole was shrouded in controversy and tragedy Captain Robert Falcon Scott CVO 6 June 1868 29 March 1912 was a Royal Navy officer and explorer who led two expeditions to the Antarctic regions During the second venture Scott led a party of five which reached the South Pole on 17 January 1912 only to find that they had been preceded by Roald Amundsen's Norwegian expedition On their return journey Scott and his four comrades all perished from a combination of exhaustion starvation and extreme cold Before his appointment to lead the Discovery Expedition Scott had followed the conventional career of a naval officer in peacetime Victorian Britain It was the chance for personal distinction that led Scott to apply for the Discovery command rather than any predilection for polar exploration However having taken this step his name became inseparably associated with the Antarctic the field of work to which he remained committed during the final twelve years of his life Following the news of his death Scott became an iconic British hero a status maintained and reflected today by the many permanent memorials erected across the nation Sue Blackhall reassesses the causes of the disaster that ended his and his comrades lives and the extent of Scott's personal culpability From a previously unassailable position Scott has become a figure of controversy with questions raised about his competence and character However more recent research has on the whole regarded Scott more positively emphasizing his personal bravery and stoicism while acknowledging his errors but ascribing his expedition's fate primarily to misfortune      The Annual Register Edmund Burke, 1914 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year's major events developments and trends in

Great Britain and throughout the world From the 1920s volumes of The Annual Register took the essential shape in which they have continued ever since opening with the history of Britain then a section on foreign history covering each country or region in turn Following these are the chronicle of events brief retrospectives on the year s cultural and economic developments a short selection of documents and obituaries of eminent persons who died in the year     **Appendix to the Journals of the House of Representatives of New Zealand** New Zealand. Parliament. House of Representatives,1881

**The Heart of the Antarctic** Sir Ernest Henry Shackleton,1909     **Bulletin of the American Geographical Society of New York** ,1880     Journal of the American Geographical Society of New York ,1880     **Journal of the American Geographical Society of New York** American Geographical Society of New York,1881     **Writing of Today** John William Cunliffe, Gerhard Richard Lomer,1915     *The Home of the Blizzard* Douglas Mawson,1915 This account so profusely illustrated by the magnificent photographs of Frank Hurley is a classic of Polar literature describing the first major scientific exploring venture by an Australian beyond their shores Mawson s lone survival after the fatal tragedy of his two companions Ninnis and Mertz was to become the most extraordinary epic of survival in Antarctica He was undoubtedly one of the most outstanding explorers of the 20th century and ranks high among our national icons [abebooks website](#)

The Enthralling World of E-book Books: A Comprehensive Guide Unveiling the Pros of Kindle Books: A World of Ease and Flexibility Kindle books, with their inherent mobility and simplicity of access, have freed readers from the limitations of physical books.
