

The background of the cover is a soft, painterly illustration of a campsite at dusk or dawn. A bright yellow and orange campfire is the central focus, with its light reflecting on the ground. Four people are gathered around the fire: a man in a grey jacket on the left, a man in a green jacket in the center, a woman in a yellow shirt on the right, and a woman in a red top in the foreground. The scene is framed by a thin gold border. The sky is a mix of purple and blue, and evergreen trees are visible in the background.

Understanding Difficult Scriptures In A Healing Way:

Understanding Difficult Scriptures in a Healing Way Matthew Linn, Sheila Fabricant Linn, Dennis Linn, 2001 A resource that helps readers of the Bible to read its difficult passages in ways that enhance their sense of loving connection so that they feel closer to God themselves, others, and their world. Healing the Ravaged Soul Sue Magrath, 2017-01-26 Why does God hate me? How can I believe in a God who has allowed my suffering? These are just two of the difficult spiritual questions that survivors of child sexual abuse struggle with. In addition, survivors often have mixed feelings about the church because of perceived judgment and indifference, their own shame, or their discomfort with certain aspects of worship. Of the many after-effects of sexual abuse, spiritual wounds are the least talked about, yet they are central to adult survivors who seek to heal and find faith and meaning in their lives. With grace and gentleness, this book seeks to answer survivors' spiritual questions and address some of the common misconceptions that often develop when young victims attempt to understand what has happened to them. Healing the Ravaged Soul explores the origins of their spiritual issues with clear psychological insights and guides survivors on a spiritual journey toward healing, wholeness, and a deeper relationship with God.

Practicing Peace Michael John Wood, 2022-04-07 This book is about the practice of peace in daily life. Although most of us want peace, we often struggle to live it. Someone annoys us, and we find ourselves in a vortex of conflict. When we care deeply about something, it can be easy to burn relationships if we encounter people whose values differ from ours. We may ask ourselves, How can we make a positive difference in the world without diminishing others or ourselves? Michael Wood explores the practice of peace through the lenses of theology, contemplation, and action. Containing numerous real-life anecdotes, thought-provoking questions, and practical tools, this is a useful resource for anyone who wants to foster peace in their family, workplace, or community.

Grieving Hearts in Worship Rev. Dr. Michael E. Landon, 2012-05-25 Grieving Hearts in Worship offers an in-depth opportunity to answer challenging questions concerning a growing disconnect between how we grieve and how we worship God. Through the use of stories, poetry, creative worship services, and thought-provoking discussions, Landon shares his unique understanding of the nature of our need for rituals in worship as a beneficial part of our journey towards healing. By exploring major thoughts and writings on grief, he identifies common threads weaving together a living tapestry that expresses the depth of personal and communal experiences of grief. Reading this contemplative approach to discussing grief and its place in worship will open your eyes to a new way of seeing God's love for the grieving. The book's practical suggestions offer church leaders and members a blend of topics: worship services and reflection questions that include Attitudes About Death and Grief, Annual Remembrance Services, Finding Hope in Brokenness, Anger and Vulnerability in Worship, Rediscovering Joy, Walking the Labyrinth, When a Church Dies.
