

Understanding Eternal Security: Once Saved, Always Saved!

By Brent Knox

At Hometown Church, we have always taught the Biblical truth that all genuine believers in Christ are eternally secure. This doctrine of "eternal security" is also known as the doctrine of the "perseverance of the saints". This doctrine states that those individuals who are truly born again by the Spirit of God will be kept by God and will, by God's power, persevere in faith their whole lives. Therefore, we as believers in Christ are eternally secure—we have total assurance that we will be in heaven when we die.

Why is the issue of eternal security such an important doctrine? It relates to our joy in living and our confidence in God. There are so many Christians who suffer needlessly because they lack assurance of their salvation. They lack the confidence that their sins are completely forgiven and their place in heaven is eternally secure. Their lives are filled with doubt, guilt, fear, anxiety, and intense self-introspection. There is a better way to live. That is why God wants us to know for certain that we have eternal life. In fact, this is one of the reasons why the book of 1st John was written.

I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life. 1 John 5:13

If God is loving, then He would want us to know with certainty, before we enter eternity, whether or not we have eternal life! Imagine being on a plane flight from New York City to London. About half way through the flight, the pilot announces over the PA system, "Ladies and gentlemen, I have good news and I have bad news." First the bad news. There was a slight oversight that occurred before we took off. Someone forgot to refuel the airplane. According to our calculations, the plane will run out of fuel and plunge into the ocean shortly before London. There will be no survivors. But the good news is that this is a very fine plane and everything on the plane is now free! You can enjoy in-flight movies for free! Order any beverage for free! Ask the attendants for anything! And they will provide the best comfort for you as they can during the last few hours of your life." The only person who will really be able to enjoy the next few hours will be the person with a parachute who can bail out before the plane crashes. Why? He knows that his life will continue on! In the same way, knowing with absolute assurance that we have eternal life adds greatly to our joy!

Let's help our people "know" that they have eternal life and that there is nothing they do that can rip that away!

Reasons for Believing in Eternal Security

1. The undeserving grace of God.

It is by grace we are saved.

*For it is by grace you have been saved, through faith—and this not from yourselves, it is the gift of God—not by works, so that no one can boast.
Ephesians 2:8-9*

Eternal life is freely given as a gift—not as a result of any human effort. If we admit that human merit cannot save us how can we say that human merit can

Understanding Eternal Security Charles F. Stanley, 1998 Dr Charles Stanley's new series of Bible study guides feature insights and wisdom of this beloved pastor and author. Small groups and individuals who want a Bible study that's spiritually sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world. Each title takes a unique fourfold approach to get the most out of Bible study time, emphasizing personal identification with the Scripture passage, recognition of your emotional response, reflection of the passage's meaning, and application and taking steps to apply what's been learned. This is a sound way to explore the Word of God.

Eternal Security Aaron Crawford, 2025-11-20 Are believers truly secure in Christ? In this clear biblical guide, Aaron Crawford explains why salvation is a gift God guarantees, not something we can lose. Drawing on Scripture, he explores the believer's identity in Christ, the sealing power of the Holy Spirit, and the assurance of eternal life. Practical, pastoral, and deeply encouraging, this book helps Christians live in confidence, faithfulness, and hope grounded in God's unchanging promises.

Eternal Security Charles F. Stanley, 1990-08-27 Do you ever find yourself wondering, "Is it actually possible to know beyond the shadow of a doubt that I am going to heaven? If you say that my salvation is eternally secure and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of eternal security make a difference in my Christian life?" With the wisdom and skill of a man who has personally wrestled with these questions, internationally known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straightforward book. With questions at the end of each chapter, Eternally Secure is an excellent choice for individual or group study. I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure.

Perspectives on Eternal Security Kirk R. MacGregor, Kevaughn Mattis, 2009-05-07 Eternal security or personal assurance of final salvation constitutes the single most important matter of practical theology in the Christian tradition For the past twenty centuries no other doctrine has exerted such a direct impact on the lives of lay Christians driving their daily actions guiding their permanent choices and shaping their psychology From the New Testament period onward a diversity of views on biblical interpretation anthropology and divine sovereignty have produced numerous models of eternal security However due to the early modern fracturing of Protestant thought along Reformed and Arminian lines today most evangelicals equate eternal security with Calvin's perseverance of the saints In an ecumenical vein this collection of essays aims to remedy the knowledge gap by bringing a breadth of biblical historical and philosophical perspectives to bear on the question of eternal security These essays comprise the first print anthology from the online theological journal Testamentum Imperium an international forum founded and edited by Kevaughn Mattis featuring scores of first rate articles from Christian thinkers worldwide on the topic of eternal security This book therefore analyzes Calvin's model of perseverance alongside views on eternal security ranging historically from Clement of Rome to contemporary developments in philosophical theology and process theology Furthermore this book explores and strengthens the biblical roots of eternal security through an illuminating host of thematic studies on whole books and exegetical studies on particular passages Hence this volume will profit all who are interested in the scriptural foundations and historical outworkings of eternal security
