The Standard Operas, Their Plots and Their Music George Putnam Upton, 1928 **THE STANDARD OPERAS**
GEORGE P. UPTON, 1890 The Standard Operas George Putnam Upton, 1909 **The Standard Operas** George P.
Upton, 2016-07-17 Excerpt from *The Standard Operas Their Plots Their Music and Their Composers* Sketch of the operas

general character of its music its prominent scenes and numbers the latter in the text most familiar to opera goers the date
of first performances with a statement of the original cast wherever it has been possible to obtain it and such historical
information concerning the opera and its composition as will be of interest to the reader As many new operas have been

Their Music and Their Composers A Handbook* Being to give musically uneducated lovers of opera a clear understanding of
the works they are likely to hear and thus heighten their enjoyment In a word the operas are described rather than criticised
And the work is presented with as much thoroughness as seemed possible considering the necessarily brief space allotted to
each In the preparation of the Handbook the compiler acknowledges his indebtedness to Grove's excellent Dictionary of
Music for dates and other statistical information and he has also made free use of standard musical works in his library for
historical events connected with the performance and composition of the operas It only remains to submit this work to opera
goers with the hope that it may add to their enjoyment and prove a valuable addition to their libraries About the Publisher
