The ^AWrong Hands Ann Larabee,2015-06-15 The state s right to police such information has always hinged on whether the disseminators have legitimate First Amendment rights Larabee ends with an analysis of the 1979 publication of instructions for making a nuclear weapon which raises the ultimate question should a society committed to free speech allow a manual for constructing such a weapon to disseminate freely Both authoritative and eye opening The Wrong Hands will reshape our understanding of the history of radical violence and state repression in America **In the Wrong Hands** Victor Mudrick,2002-02-06 In 1988 the United States Army Pershing Missile Systems about 400 strong were reportedly retired from service in Eastern Europe transported back to the United States and destroyed But how do we know these deadly nuclear tipped missiles were all actually destroyed The government has made mistakes before and has even been known to conspire to cover up those mistakes In this story of fiction one of the missiles does get misplaced by the Army and ends up in the hands of people who plan to use it on the population of London Spence and Harper best friends since childhood are engaged by the president of the United States to retrieve or destroy the threat and eliminate the people involved At the same time they are to keep any news of the incident from the world The rescue plan puts them in the middle of a typhoon on a leaking freighter in a firefight with elite commandos at the bottom of the ocean and finally face to face with their arch nemesis Sean Doogan The multiple story lines weave an exciting tale all over the Americas and Europe And tie together in an amazing and unexpected ending The fun and suspense is non stop You will be on the edge of your chair one minute and laughing out loud the next **The Gathering, A Womanist Church** Irie Lynne Session,Kamilah Hall Sharp,Jann Aldredge-Clanton,2020-08-21 A womanist church has great power to transform church and society primarily because womanist theology centers the experiences of Black women while working for the survival and wholeness of all people and all creation Experiences of the triple oppression of racism sexism and classism give Black women an epistemological insight into recognizing injustice and creating solutions that benefit all The Gathering is unique the only church founded and identified as womanist applying womanist theology to the full life and worship of a church The Gathering a womanist faith community in Dallas Texas welcomes all people to partner in pursuing racial equity LGBTQ equality and dismantling PMS patriarchy misogyny and sexism following Jesus in liberating the oppressed and lifting up the marginalized The Gathering A Womanist Church tells the story of the birth and ongoing development of a womanist faith community This book includes personal narratives of people transformed in this community womanist co pastors sermons informed by their experiences and those of other Black women and litanies for womanist worship **Earth-Moving Prayers** Timothy Atunnise,2013-07-02 Earth Moving Prayers is a highly anointed deliverance prayer book that will transform your life and set you free from any form of bondage or captivity you may find yourself Over 600 pages of mountain moving and yoke destroying prayer points Over 5300 problems solving and solution finding prayer points prepared by the Holy Ghost to set
