The Spark Factor Molly Maloof, 2023-01-31 Foreword by Dave Asprey A breakthrough program for women to revive their lost energy and vitality developed by a leading biohacker and physician Inside of you there is a spark it is what animates you and without it you could not live This energy creation isn't mystical nor is it spiritual it is science We know from research that our cellular machinery transforms the food we eat and the air we breathe into the electricity that fuels us With the right lifestyle inputs we glow with energy but when the demands on our bodies exceed our capacity as is true for so many of us we become burned out mentally

and physically Now in The Spark Factor Dr Molly Maloof shares a program uniquely tailored to the biology of women a plan that targets the mitochondria the power source of the cells As Dr Maloof shows the intense all or nothing approaches commonly used by biohackers to optimize health including sustained fasting ultra low carb diets and intense training can be harmful especially for women because they create excessive stress in an already stressed body which can make us tired weak and prone to illness Dr Maloof s innovative program which has been used successfully by her patients offers lifestyle changes that target the unique biology of women and provide immediate and long term benefits Instead of denying our bodies we need to listen to what they are telling us Once we become aware of our physical needs we can give ourselves the resources to become more connected nourished safe and strong at both the micro and the macro level With cutting edge biohacking insights strategies for personalized nutrition hormonal health and stress management The Spark Factor is the book women have been waiting for to help them reclaim their vitality and achieve lasting health **Biohack Me** Camilla

Thompson,2025-05-29 FINALIST in HEALTH AND WELLBEING at the Australian Business Book Awards Supercharge your life One biohack at a time Do you struggle to prioritise your health amongst the demands of a busy lifestyle Are you afraid of growing old and not thriving in your later years Then maybe biohacking is for you Biohacking is all about hacking your biology and environment so you can live better for longer It involves making small incremental changes to your lifestyle and diet today that will improve your health vitality and wellbeing into the future Biohacking proves that we have more control over ageing than what we might think With Biohack Me you ll discover that ageing is something we should embrace not fear Author Camilla Thompson is a trailblazer in biohacking nutrition and health coaching As a trusted coach and wellness mentor Camilla has dedicated nearly a decade of her life to helping others optimise their health and longevity In this powerful guide she provides clear actionable strategies that will empower you to take charge of your health and protect your cognitive and physical wellbeing as you age By learning the biohacking framework outlined in this book you can improve your sleep mood health relationships brain and so much more You ll learn The importance of sleep rituals and habits like nasal breathing and your circadian rhythm Strategies to boost your energy though intermittent fasting red light therapy and cold exposure How to revolutionise your relationship with stress and anxiety using the circle of control Methods to improve your nervous system function such as breathwork and acupuncture Why neuroplasticity is crucial for optimum long term brain function How a nutrient rich diet hydration hacks and cognitive training can improve your overall brain health Once you master the biohacking basics you will unlock your full potential and transform your mind and body for the better Whether you re a health newbie or a seasoned wellness warrior Biohack Me is your ticket to supercharging your life **BIOHACKING**
