Ten Sending Churches:

Ten Sending Churches ed GRIFFITHS,1985 **Ten Sending Churches** Michael Griffiths,1985 **Evangelism through the Local Church** Michael Green,2023-09-28 A comprehensive guide to practical evangelism its biblical basis theological backbone and current practice Michael Green draws from a lifetime s experience in this seminal work on the theory and practice of evangelism Green shows how the good news of Christ is communicated most effectively through the local church This comprehensive resource includes a primer on Christian apologetics and concrete suggestions for congregations and individuals sharing the gospel Green challenges the hang ups which so often accompany the very mention of evangelism His classic work will continue to inspire new generations of evangelists **Foundations for Fruitful Church Planting** Ken L. Davis,2023-07-28 Church planting is one of the most challenging yet rewarding adventures you can embark on Often zealous planters and their teams launch their new church prematurely without taking time to lay a firm foundation for long term fruitful ministry Failure to do so often results in a weakened new church or even the new church closing after a few years Rather than focusing on methodology the how to s of church planting this book gives attention to six foundational concerns wise planters will need to nail down before they ever plant Biblical foundations Theological foundations Ecclesiological foundations Missiological foundations Spiritual foundations Practical foundations Although helpful for a wide range of planting leaders this book is particularly written for four specific groups those who feel called to plant and are making preparations their planting teammates and launch leaders those exploring church planting those who coach and train church planters Foundations for Fruitful Church Planting serves as a comprehensive resource that will guide you to think strategically plan carefully and prepare thoroughly to birth a healthy growing and reproducing congregation Each chapter includes recommended resources discussion questions and follow through exercises *ThirdWay* ,1988-05 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *The Church Standard* ,1897 **Mapping Church Missions** Sharon R. Hoover,2018-09-25 Sharon Hoover brings her years of experience in local church missions to bear on thorny questions every church faces Should we prioritize evangelism or works of service Local ministries or overseas missions And what about short term missions trips Hoover approaches each question with nuance helping us plot our church s unique course as we seek to serve Christ s kingdom **Planting Churches Cross-Culturally** David J. Hesselgrave,2000-05 Discusses how to plant new churches in North America and around the world by examining important sociological anthropological and historical perspectives Focuses on church planting methods selecting target areas using effective resources and measuring growth Also includes data on the sending church and the Christian mission and other related material **Woman's Home Missions of the Methodist Episcopal Church** ,1917 **Ways that Win in Church Finance** Albert Sidney Gregg,1902 **Gaining By Losing** J.D. Greear,2015-07-28 People are leaving the church J D Greear pastors Big givers Key volunteers Some of his best leaders and friends And that s exactly

how he wants it to be When Jesus gave his disciples the Great Commission he revealed that the key for reaching the world with the gospel is found in sending not gathering Though many churches focus time and energy on attracting people and counting numbers the real mission of the church isn't how many people you can gather It's about training up disciples and then sending them out The true measure of success for a church should be its sending capacity not its seating capacity But there is a cost to this To see ministry multiply we must release the seeds God has placed in our hands And to do that we must ask ourselves whether we are concerned more with building our kingdom or God's In *Gaining By Losing* J D Greear unpacks ten plumb lines that you can use to reorient your church's priorities around God's mission to reach a lost world The good news is that you don't need to choose between gathering or sending Effective churches can and must do both
