**In Your Face** Sami Pauly, 2015-03-20 Over the past several years the issue of bullying has gotten a higher profile We are finally beginning to realize that more effective preventative measures have to take place Unfortunately many kids have lost their lives to these incidents either from the hands of violent acts or being driven to taking their own lives This book teaches you how to live your life without drama and how to turn the tables on bullies Many kids go to school being humiliated and pretend to be the superior person They tell everyone that they just ignore or don't pay attention to these words This would be awesome if this were true Instead they arrive to their homes and hammer their brains with the comments that were intended to hurt them This book will give you step by step approaches on how to really ignore the attempts to destroy your soul Nobody is a waste of space even if you feel like that now Maybe you are not seeing how much you mean to other people or the effect you will have on the lives of the people that you will meet tomorrow Don't let another person's shadow prevent you from shining your light
