**Wealth Mindset Always Finish Richer** Shawn Burke,2019-10-21 A Wealth Mindset Always Finish Richer Wealth is one of the most grossly misunderstood words until today To many it symbolize financial status glory and popularity True wealth however is not measured by the size of your wallet or the properties you owned When one appreciates true wealth one will understand that it can only be learned grasped and grown into Unlike Money which has been almost everybody's first priority Having some financial wealth to fall back on can make life easier at times This ebook intend to gives an indepth understanding of the concept of true wealth In the pursuit of our dreams and our desire to live life to the fullest we sometimes get caught up in the rat race of keeping up with everyone else financially The goal of making money should not be simply to gain more of it but rather to be able to create a cushion around us that allows us not to worry

about day to day issues Do you often wonder how other people manage to create a lifestyle full of abundance and prosperity Have you ever found yourself asking what his her secret is or worse chalking it all up to luck Did you know that there are ways to prosperity that have little to do with luck and a lot to do with creating a wealthy mindset first Abundance is not only for the chosen few It s everyone s birthright but here we seek wealth in abundance with a happy state of mind How many times have you heard stories of people pulling themselves up from nothing to create mass success and fortune It can happen for you too You re probably asking yourself how or even shaking your head while thinking this is for other people and not for me That s a great place to start with your thoughts Change your thoughts change your mindset and change your life A wealth mindset does more than conjure rainbows and unicorns dancing with the Pollyannas of the world A wealth mindset shifts people from being selfish to selfless It overrides the innate reptilian brain that prefers self preservation to the benefit of an entire community It stops the focus from being solely on one person and redirects the focus outward Wealth Is obviously refer to money and income but there are many desirable things that have nothing to do with money And from some of the definitions of the word it appears that if you have these desirable things you want wealth with a happy state of mind also If this is the case what are some of the things a person can possess that are considered desirable and make him or her wealthy That depends on the person Since money is not the only wealth we can consider things like health experiences relationships and memories as desirable things that create wealth in one s life Wealth is also dependent upon a person s idea of what is desirable so what may not be considered desirable to one person may be what another individual considers his greatest source of wealth If you want to be happy in life you need to search out and decide what you consider to be wealth and make that come to abundance in your life Truly desirable things will nurture you relax you and leave you with a lingering sense of well being Wealth is how rich your life feels to you in the presence of these beautiful things that you do for yourself that complete your journey with the Richer experience *Work \$marter, Not Harder!* Jim Sullivan,1994 **Outsource Smart: Be Your Own Boss . . .
